is a precise concise explanation of why and how weight loss programs work or don't work. It is a short book that will not bore the reader with too much information; it has all the information anyone needs to succeed in weight loss and healthy living. I highly recommend it to anyone who wants to lose weight. Allison Kahn: I think we all make things a lot harder than they need to be. Losing weight does not need to be that hard. Chris Smith has laid out a simple program that anyone can do to lose the extra pounds you may have picked up. You should read this before you go on your next diet. James Hoag: Thank you, I really liked this sentence. Also keep in mind that a pound of fat amounts to 3500 calories sitting inside you. Ouch! What a good way to look at the 3 slices of pizza you are about to consume. Saffron LVF: [How to Burn Fat Fast](#) Aaron Scully, 2014-10-31. We all want to be fit. But in this day of processed food, busy days, computer desk work, and flatscreen TVs, that is easier said than done. Fitness is what we need, but it has to be something that can be seamlessly incorporated in the normal activity and diet of our daily lives. Sometimes the diet has to be drastically changed, but for the most part, we can gain massive benefits from just small tweaks here and there. Even when it comes to exercise, we do not need to spend thousands of dollars or hundreds of hours to get a fit body. This book is a complete guide to helping you learn how to burn body fat fast. Our approach will be to first help you figure out which of the three body types you have, then we'll make slight adjustments to your nutritional intake and help you design an exercise routine that can seamlessly integrate into your busy lifestyle. **Burning Fat** Bethann Wagman, 2021-06-21. Whether you're looking to improve your overall health or simply slim down for summer, burning off excess fat can be quite challenging. In addition to diet and exercise, numerous other factors can influence weight and fat loss. Luckily, there are plenty of simple steps you can take to increase fat burning quickly and easily. This book contains 21 entirely practical and scientifically proven tips that aim to teach you how to get your life back on track using only the most natural means possible. From burning fat faster to developing your body for strength and energy through the perfect workout regime for you, this book is packed with easy-to-understand information on how you can improve your lifestyle.
