Unaccountable Truth And Lies On Parliament Hill:

Unaccountable Kevin Page, 2015-09-29 A unique insider's account of the Harper government so damning that it cannot be ignored. In March 2008 Kevin Page was appointed by the federal Conservatives to be the country's first Parliamentary Budget Officer. The move fulfilled a Tory campaign promise to deliver greater government transparency and accountability. He was later denounced by the same people who appointed him to scrutinize their spending. When he challenged the government on several issues, most notably about the true costs of the F-35 fighter planes and publicly claimed the government was misleading Canadians, Page was vilified. He was called unbelievable, unreliable, and incredible by then Finance Minister Jim Flaherty. Page's term was not extended and he retired from the civil service. Page's assessment of the F-35 procurement was proven right, a major embarrassment to the Harper government. But Page's overriding concern is that Parliament does not get the information and analysis it needs to hold the executive, the prime minister, and cabinet to account. Parliament, he argues, is broken, with power centralized in the PMO. The civil service appears cowed, and members of parliament almost never see enough financial analysis to support the policy decisions they make. That was true at various times on the tough on crime legislation, new military procurement, as well as changes to the Canada Health Transfer and Old Age Security. In this shocking insider's account, Page argues that democracy is being undermined by an increasingly autocratic government that does not respect facts that run counter to its political agenda. Elected officials need accurate, independently verified data to support the implementation of policies and programs. In *Unaccountable*, Page tells all Canadians why we should be concerned.

On the House Rob Walsh, 2017-10-30 On a day-to-day basis, what does a newly elected Member of Parliament do? How does the House of Commons work? Drawing on his years of service to five majority and three minority parliaments, Rob Walsh shares first-hand insights into the inner workings of the House, beyond the political personalities that dominate its proceedings. Inside this unique public and political institution, laws are made, taxes are imposed, political issues are debated, and the government is held to account on behalf of all Canadians. The House is the national stage on which democracy plays itself out between elections. Neither a procedural manual nor an academic critique, *On the House* reveals from Walsh's perspective the historical origins of the House, its constitutional place in the parliamentary system, the role of committees, legislation, and administration, and its democratic functions. Providing a deeper understanding of both the House's successes and its failures, Walsh celebrates the value of parliamentary democracy while acknowledging the continuing challenges that face it. *On the House* is a direct, accessible, and fascinating reflection on more than twenty years of experience in the House of Commons.

At the Centre of Government Ian Brodie, 2018-04-30 Canada's prime minister is a dictator. The Sun King of Canadian government. More powerful than any other chief executive of any other democratic country. These kinds of claims are frequently made about Canada's leader, especially when the prime minister's party holds a majority government in Parliament. But is there any truth to these arguments? At the Centre of Government, not

only presents a comprehensively researched work on the structure of political power in Canada but also offers a first hand view of the inner workings of the Canadian federal government Ian Brodie former chief of staff to Prime Minister Stephen Harper and former executive director of the Conservative Party of Canada argues that the various workings of the Prime Minister's Office the Privy Council Office the cabinet parliamentary committees and the role of backbench members of Parliament undermine propositions that the prime minister has evolved into the role of an autocrat with unchecked control over the levers of political power He corrects the dominant thinking that Canadian prime ministers hold power without limits over their party caucus cabinet Parliament the public service and the policy agenda Citing examples from his time in government and from Canadian political history he argues that in Canada's evolving political system with its roots in the pre Confederation era there are effective checks on executive power and that the golden age of Parliament and the backbencher is likely now Drawing on a vast body of work on governance and the role of the executive branch of government At the Centre of Government is a fact based primer on the workings of Canadian government and sobering second thoughts about many proposals for reform

Thinking Government David Johnson, 2016-09-22 Thinking Government Public Administration and Politics in Canada fourth edition is a comprehensive introduction to public administration and public sector management This book places Canadian government and public administration within its political context and covers such important topics as the institutions of the federal government financial and human resources management and accountability and responsibility Fully updated throughout Thinking Government fourth edition is perfect for Canadian public administration courses

Public Value and the Digital Economy Usman Chohan, 2021-07-29 How can the public manager create and co create value in the digital economy While there is much exciting work being done there is a pressing need to recontextualize public value theory PVT specifically in terms of its theoretical precepts in the fluid and dynamic environment that the digital economy has produced Much of the theoretical undergirding of PVT predates the full onset of today's digital economy leaving aside phenomena including citizen driven innovations decentralized digital structures and the algorithmic foundations of new economic life This is why a conceptually driven exercise in contemporizing PVT would be of great value to public administration's theoreticians seeking to lead the theory in catching up to the praxis This book seeks to answer the question of creating and co creating public managerial value by developing chapters that revisit categories central to the functions of public managers in relation to other value creating agents under PVT It introduces new and important lenses to PVT that are grounded in the praxis of the digital economy raising new questions about old problems in PVT and generating newer formulations that push PVT forward and make its debates salient to the futures that lay before the modern public manager The book therefore constitutes an important effort to take PVT forward by shedding new light on the potency of the public manager in confronting and constructing the digital economy through co creation with the other agents of public value It will be of interest to researchers academics and policy makers in the fields of public and nonprofit management public

administration and policy and PVT The Constitution in a Hall of Mirrors David E. Smith, 2017-06-30 Whether it is the first past the post electoral system or partisan government appointees to the Senate Canadians want better representation and accountability from the federal government Before reforms can be enacted however it is important to explore and clarify the relationships among Canada's three parliamentary institutions Crown Senate and Commons In The Constitution in a Hall of Mirrors David E Smith presents a learned but accessible analysis of the interconnectedness of Canada's parliamentary institutions Smith argues that Parliament is a unity comprised of three parts and any reforms made to one branch will whether intended or not affect the other branches Through a timely nuanced and comprehensive examination of parliamentary debates committee reports legal scholarship and comparative analysis of developments in the United Kingdom Smith uncovers the substantial degree of ambiguity that exists among Canadians and their calls for structural and operational reforms By illuminating the symbiotic relationship between the Crown Senate and Commons The Constitution in a Hall of Mirrors brings government reform closer to reality Advising Governments in the Westminster Tradition Jonathan Craft, John Halligan, 2020-11-05 In turbulent environments and unstable political contexts policy advisory systems have become more volatile The policy advisory system in Anglophone countries is composed of different types of advisers who have input into government decision making Government choices about who advises them varies widely as they demand contestability greater partisan input and more external consultation The professional advice of the public service may be disregarded The consequences for public policy are immense depending on whether a plurality of advice works effectively or is derailed by narrow and partisan agendas that lack an evidence base and implementation plans The book seeks to address these issues within a comparative country analysis of how policy advisory systems are constituted and how they operate in the age of instability in governance and major challenges with how the complexity policy issue can be handled

Who Pays for Canada? E.A. Heaman, David Tough, 2020-09-17 Canadians can never not argue about taxes From the Chinese head tax to the Panama Papers from the National Policy to the Canada United States Mexico Agreement tax grievances always inspire private resentments and public debates But if resentment and debate persist the terms of the debate have continually altered and adapted to reflect changing social economic and political conditions in Canada and the wider world The centenary of income tax is the occasion for Canadian scholars to wrestle with past and present debates about tax equity efficiency and justice Who Pays for Canada explores the different ways governments can and should tax their peoples and evaluates how well Canada has done so It brings together a diverse group of perspectives from academia law economics political science history geography philosophy and accountancy and from the wider world of activists and public servants It asks how Canada compares to other countries and how other countries especially the United States influence Canadian tax policies It also surveys internal tax tensions and politics through the lenses of region and jurisdiction as well as race class and gender Reasoning from tax perplexities and reforms in the past and the present it argues that fair

taxation requires an informed populace and a democratically inclined public will Above all this book serves as a reminder that it is not only what counts as fair that is important but how fairness is evaluated Revealing how closely tax policy is tied to mainstream politics human rights and morality Who Pays for Canada represents new perspectives on a matter of tremendous national urgency

Reforming Public Management and Governance John Halligan, 2020-05-29 This book examines the impact of several decades of public sector reform in four Westminster systems Australia Canada New Zealand and the United Kingdom Political and managerial change has re defined roles and relationships and how their public sectors function Often this occurs in comparable ways because of a common administrative tradition but choices made in different country contexts also produce divergent outcomes In analysing the results and implications of reform fundamental issues of and tensions in public administration and management are addressed

Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field

The Harper Factor Jennifer Ditchburn, Graham Fox, 2016-10-19 A clear eyed balanced analysis of Prime Minister Stephen Harper s legacy and impact on Canadian public policy and institutions

Opening the Government of Canada Amanda Clarke, 2019-02-15 Opening the Government of Canada presents a compelling case for the importance of a more open model of governance in the digital age but a model that also continues to uphold democratic

principles at the heart of the Westminster system Drawing on interviews with public officials and extensive analysis of government documents and social media accounts Clarke details the untold story of the Canadian federal bureaucracy's efforts to adapt to new digital pressures from the mid 2000s onward This book argues that the bureaucracy's tradition of closed government fuelled by today's antagonistic political communications culture is at odds with evolving citizen expectations and new digital policy tools including social media crowdsourcing and open data Striking a balance between reform and tradition Opening the Government of Canada concludes with a series of pragmatic recommendations that lay out a roadmap for building a democratically robust digital era federal government

Human Rights and the Internet S. Hick, E. Halpin, E. Hoskins, 2016-03-22 The Internet is having an increasing influence on our lives but what implications does it hold for human rights How can it be used to promote and protect them This book written by an accomplished group of activists writers and academics describes the development and use of the Internet for human rights examines its impact across the world and upon various sectors of society and discusses current and future trends in human rights promotion and protection

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Unaccountable Truth And Lies On Parliament Hill eBooks, including some popular titles.

FAQs About Unaccountable Truth And Lies On Parliament Hill Books

What is a Unaccountable Truth And Lies On Parliament Hill PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Unaccountable Truth And Lies On Parliament Hill PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Unaccountable Truth And Lies On Parliament Hill PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a**

Unaccountable Truth And Lies On Parliament Hill PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Unaccountable Truth And Lies On Parliament Hill PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are

there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
