Toni Braxton, 2012-08-15 **Destructive Desires** Robert J. Patterson, 2019-04-05 Despite rhythm and blues culture s

undeniable role in molding reflecting and reshaping black cultural production consciousness and politics it has yet to receive the serious scholarly examination it deserves Destructive Desires corrects this omission by analyzing how post Civil Rights era rhythm and blues culture articulates competing and conflicting political social familial and economic desires within and for African American communities As an important form of black cultural production rhythm and blues music helps us to understand black political and cultural desires and longings in light of neo liberalism s increased codification in America s racial politics and policies since the 1970s Robert J Patterson provides a thorough analysis of four artists Kenneth Babyface Edmonds Adina Howard Whitney Houston and Toni Braxton to examine black cultural longings by demonstrating how our reading of specific moments in their lives careers and performances serve as metacommentaries for broader issues in black culture and politics

The Autumn Balloon Kenny Porpora,2024-09-24 Porpora s coming of age memoir is a brilliant debut from a fine writer with an intriguing way of viewing the world four stars out of four USA Today Every autumn Kenny Porpora would watch his heartbroken mother scribble messages on balloons and release them into the sky above Long Island one for each family member they d lost to addiction As the number of balloons grew his mother fell deeper into alcoholism drinking away her sorrows every night in front of the television where her love of Regis Philbin provided a respite from the sadness around her When their house was foreclosed upon Kenny s mother absconded with him and his beloved dog and fled for the Arizona desert joining her heroin addicted brother on a quixotic search for a better life What followed was an outlaw adolescence spent in constant upheaval surrounded by bizarre characters and drug addicted souls In the wake of

unspeakable loss Kenny convinced a college to take a chance on him and turned to the mentors writers and poets he found to rebuild the family he lost and eventually graduated from the Ivy League with a new life Porpora's memoir is the story of a deeply dysfunctional but loving family and follows his life from the chaos of his youth to his triumphs in the Ivy League At times darkly comic at times elegiac *The Autumn Balloon* is a beautifully written testament to the irreplaceable bonds of family even under the most trying circumstances and one that marks the debut of an exciting new writer Brave and heartbreakingly beautiful one of the strongest literary debuts I've witnessed in years Andre Dubus III 1 New York Times bestselling author

Hell If We Don't Change Our Ways Brittany Means, 2023-10-03 A PEOPLE magazine pick Best Books Fall 2023 A breathtaking memoir about surviving a horrifying childhood Means transforms memories into a work of art Starred review from Kirkus This book is an outstanding debut A harrowing and soulful memoir to be read savored and reread Brittany Means has pieced together the shards of a devastating childhood in this powerful memoir It's gut wrenching but at the same time triumphant harrowing yet exquisitely told *Hell If We Don't Change Our Ways* is a story of survival that left me choked up and cheering Jeannette Walls author of *The Glass Castle* The book's lasting impact might be what it demands of the memoir genre Brittany Means has at once created the most readable and the most psychologically rigorous book I've read in decades I needed the reminder that art can do this Kiese Laymon author of *Heavy* I can't write a story about myself as the sad quiet child of two drug addicts That's not how it was even when it was To me sleeping in the car was normal Better it was comfy and fun I loved my bed made of clothes inside a trash bag that I sank into slowly like Uncle Fester from the *Addams Family* movie I loved the motels and their swimming pools and trashy daytime TV channels Nobody could tell us what to do Brittany Means's childhood was a blur of highways and traumas that collapsed any effort to track time Riding shotgun as her mother struggled to escape abusive

relationships Brittany didn't care where they were going to a roadside midwestern motel a shelter or The Barn in Indiana the cluttered mansion her Pentecostal grandparents called home as long as they were together But every so often her mom would surprise her and leave As Brittany grew older and questioned her own complicated relationships and the poverty abuse and instability that enveloped her she began to recognize that hell wasn't only the place she read about in the Bible it was the cycle of violence that entrapped her family Through footholds such as horror movies neuropsychology and strong bonds Brittany makes sense of this cycle and finds a way to leave it While untangling the web of her most painful memories Brittany crafts a tale of self preservation resilience and hope with a unique narrative style a sparkling example of the human ability to withstand the most horrific experiences and still thrive
