Unbreak My Heart City Of Secrets:

Hooks in Popular Music Tim Byron, Jadey O'Regan, 2022-11-22 This volume is the first book length study of hooks in popular music Hooks those memorable musical moments for listeners such as a riff or catchy melodic phrase are arguably the guiding principle of much modern popular music The concept of the hook involves aspects of melody rhythm harmony production lyrical and cultural meaning and how these interact within a song s topline and backing track Hooks are also inherently related to the human capacities for memory and attention and interact with our previous experiences with music Understanding hooks in popular music requires a new interdisciplinary approach drawing from popular music studies pop musicology and music psychology and this book draws from each of these disciplines to understand the hooks present in a broad range of popular music styles from the last thirty years

Twelve Days of Christmas Emma Lea, 2025-11-15 I have too many secrets and she has made a career of exposing them Twelve days before Christmas and I ve been lucky enough to be christened by the press as The Executioner Everybody hates me I m the most despised man in Australia and my face has been splashed over every news channel in the country Thank God I m heading to New York for the next few months at least I m not so well known over there Bumping into Isobel literally was like fate I couldn t believe she didn t know who I was and that very fact plus the fact that she was gorgeous made me want to get to know her better When I found out that she was the press it was too late I was already addicted to her But my real identity isn t the only one I m keeping secret and the other secret is so juicy that if she ever found out there s no way she wouldn t feel obligated to share it with the world But in doing so she would destroy everything my family built for over seventy years We may have been fated to meet but there s no way we could ever make this work there are too many secrets
