Uncertain Path Democratic Transition And Consolidation In Slovenia:

Uncertain Path Rudolf Martin Rizman, 2006-06-07 In this case study of the politics of transition in Eastern Europe Rudolf Martin Rizman provides a careful detailed sociological explanation and narrative on the emergence of independent statehood and democracy in Slovenia a small state whose experience is of interest to policy makers scholars and serious students of Eastern Europe In his focus on the transition from an authoritarian to a democratic regime Rizman analyzes social processes and political issues in the context of the Third Wave of democratization identifying zones of certainty and uncertainty Challenging many generally accepted ideas about small states and their transitions to democracy this book places Slovenia's pattern of democratization in the wider regional context of eastern and central European post communist transitions Rizman shows for example that a country's size is merely one factor out of many and while Slovenes considered the influence of larger states their choices were not particularly circumscribed by them Opening with a discussion of the relevant theoretical environment in sociology and political science Rizman illuminates the complex processes of democratic transition and consolidation From there the book analyzes the internal and external processes and factors relevant for Slovenia's successful trajectory from existence as an ethnically defined sub nation to an internationally recognized nation state After careful consideration of religious political military intellectual and other socio political stakeholders in the region including the somewhat disturbing evidence of the salience of a new radical Right Rizman concludes that Slovenia is irreversibly set on the course of democratization with indications of having reached the early stages of consolidation

Uncertain Path Rudolf Martin Rizman, 2000 Uncertain path : the problems of democratic transition and consolidation in Slovenia Rudi Rizman, Ezra F.- Vogel, 2000 Uncertain Path Rudi Rizman, Rudolf Martin Rizman, 2006 In this case study of the politics of transition in Eastern Europe Rudolf Martin Rizman provides a careful detailed sociological explanation and narrative on the emergence of independent statehood and democracy in Slovenia In his focus on the transition from an authoritarian to a democratic regime Rizman analyzes social processes and political issues in the context of the Third Wave of democratization identifying zones of certainty and uncertainty Challenging many generally accepted ideas about small states and their transitions to democracy this book places Slovenia's pattern of democratization in the wider regional context of eastern and central European post communist transitions Central and Southeast European Politics since 1989 Sabrina P. Ramet, 2010-02-18 The only textbook to provide a complete introduction to post 1989 Central and Southeast European politics this dynamic volume provides a comprehensive account of the collapse of communism and the massive transformation that the region has witnessed It brings together 23 leading specialists to trace the course of the dramatic changes accompanying democratization The text provides country by country coverage identifying common themes and enabling students to see which are shared throughout the area giving them a sense of its unity and comparability whilst strengthening understanding around its many different trajectories The dual thematic focus on democratization and

Europeanization running through the text also helps to reinforce this learning process Each chapter contains a factual overview to give the reader context concerning the region which will be useful for specialists and newcomers to the subject alike

Balkans into Southeastern Europe, 1914-2014 John Lampe, 2014-07-15 The states and peoples of Southeastern Europe have been divided by wars over the twentieth century but they have since worked to re establish themselves into the European mainstream This timely new edition has been revised updated and expanded in the light of the latest scholarship and recent events John R Lampe now offers a comprehensive assessment of the full century from the Sarajevo assassination in 1914 through to EU membership and developments up to the present day

The A to Z of Slovenia Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant

The European Union and South East Europe Andrew Geddes, Charles Lees, Andrew Taylor, 2013-05-02 This book explores the interaction of the EU in Greece Slovenia Croatia and Macedonia in three key policy sectors cohesion border managements and the environment and assesses the degree to which the European Union's engagement with the democracies of South East Europe has promoted Europeanization and Multi Level Governance Although there is a tendency to view the Balkans as peripheral this book argues that South East European states are central to what the EU is and aspires to become and goes to the heart of many of the key issues confronting the EU It compares changing modes of governance in the three policy areas selected because they are contentious issues in domestic politics and have trans boundary policy consequences in which there is significant EU involvement The book draws on over 100 interviews conducted to explore actor motivation preferences and perceptions in the face of pressure to adapt from the EU and uses Social Network Analysis Timely and informative this book considers broader dilemmas of integration and enlargement at a time when the EU's effectiveness is under close scrutiny The European Union and South East Europe will be of interest to students and scholars

of European politics public policy and European Union governance and integration **Central and Eastern Europe After Transition** Wojciech Sadurski, 2016-04-08 How have national identities changed developed and reacted in the wake of transition from communism to democracy in Central and Eastern Europe Central and Eastern Europe After Transition defines and examines new autonomous differences adopted at the state and the supranational level in the post transitional phase of the post Communist area and considers their impact on constitutions democracy and legal culture With representative contributions from older and newer EU members the book provides a broad set of cultural points for reference Its comparative and interdisciplinary approach includes a useful selection of bibliographical resources specifically devoted to the Central Eastern European countries transitions *Structural Origins of Post-Yugoslav Regimes* Valentina Petrović, 2024-09-16 This analysis of the Yugoslav democratisation process explains the variation of regime outcomes within a structuralist framework Focusing on the post socialist world it goes beyond ethnicity and elite agency to bring the role of class and the state into discussions of third wave democracies Offering an in depth study of four post Yugoslav cases and relying on extensive field work it examines how civil society state structures and elite agency influence the trajectories of Croatia North Macedonia Serbia and Slovenia after the end of socialism The analysis also considers the impact of the European Union on domestic conditions The author argues that no single factor explains the occurrence of democracy It is instead the result of the combination of an autonomous civil society a non captured state and ruling elites willing to implement democratic reforms Concomitant with this the analysis provides evidence that the only sufficient condition for the occurrence of democracy is non captured state structures State capacity therefore plays a central role in democratisation This book will be of interest to scholars and students of Eastern Europe Southeastern Europe the EU and democratisation as well as to policymakers and nongovernmental organisations **Europe and the Post-Yugoslav Space** Branislav Radeljic, 2016-04-22 Charting the path from intervention to integration Europe and the Post Yugoslav Space examines the role of Europeanization on the development of the countries of the former Yugoslavia Slovenia Croatia Macedonia Montenegro Serbia Bosnia and Herzegovina and Kosovo may have a shared history but their experiences views and attitudes to European integration vary dramatically Opinion within each state is often equally as keenly divided as to the benefits of active membership The debate within each country and their comparative differences in approach provide fascinating case studies on the importance and relevance of the EU and the effectiveness of Europeanization A wide range of contributors with significant experience gained within the EU as well as their country of origin use their expert understanding of the language and cultures of the countries concerned to provide detailed and rich insights into the troubled history and potential of the post Yugoslav space Feminist Movements in Time and Space Giada Bonu Rosenkranz, Donatella della Porta, 2025-02-14 This volume provides a broad analysis of feminist movements both historical and present day in Europe It will fill the gap in the literature on feminist mobilizations through a systematic analysis of European third wave feminism

from a cross national perspective covering Denmark France Greece Italy Poland Slovenia Spain and Turkey and a cross time perspective covering the time frame 2010 2021 In doing this the authors also single out the different constellations of feminist movements as related to specific national political opportunities and networks of alliance and opposition This book will be of interest to students and scholars in gender studies feminist theory and social movement studies Twenty Years After Communism Michael Bernhard, Jan Kubik, 2014-07-02 While the fall of the Berlin Wall is positively commemorated in the West the intervening years have shown that the former Soviet Bloc has a more complicated view of its legacy In post communist Eastern Europe the way people remember state socialism is closely intertwined with the manner in which they envision historical justice *Twenty Years After Communism* is concerned with the explosion of a politics of memory triggered by the fall of state socialism in Eastern Europe and it takes a comparative look at the ways that communism and its demise have been commemorated or not commemorated by major political actors across the region The book is built on three premises The first is that political actors always strive to come to terms with the history of their communities in order to generate a sense of order in their personal and collective lives Second new leaders sometimes find it advantageous to mete out justice on the politicians of abolished regimes and whether and how they do so depends heavily on their interpretation and assessment of the collective past Finally remembering the past particularly collectively is always a political process thus the politics of memory and commemoration needs to be studied as an integral part of the establishment of new collective identities and new principles of political legitimacy Each chapter takes a detailed look at the commemorative ceremony of a different country of the former Soviet Bloc Collectively the book looks at patterns of extrication from state socialism patterns of ethnic and class conflict the strategies of communist successor parties and the cultural traditions of a given country that influence the way official collective memory is constructed *Twenty Years After Communism* develops a new analytical and explanatory framework that helps readers to understand the utility of historical memory as an important and understudied part of democratization

Migration and Autonomous Territories Roberta Medda-Windischer, Andrea Carlà, 2015-02-04 Migration is an increasingly important reality for sub national autonomous territories characterized by large historical communities or minorities The diverse claims of these groups on the one hand and of new communities arising from migration on the other bring complexity to the management of migration issue in the territories *Migration and Autonomous Territories* edited by Roberta Medda Windischer and Andrea Carl draws on the fields of migration and minority studies to analyze the challenges associated with the need to reconcile diversity and unity in autonomous territories The volume compares the cases of South Tyrol and Catalonia characterized both by the presence of large historical communities and minorities and significant migration aims and sheds new light on how sub national units deal with migration

Religion and the State Scott A. Merriman, 2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when

faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots Religion and the State An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion Readers can investigate specific nations compare situations across nations and explore key issues in the pervasive often controversial relationship between religion and government

Encyclopedia of Human Rights David P Forsythe, 2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full coverage of the development of the movement historical cases of abuse the key figures major organizations and a range of other issues in economics government religion and journalism that touch on human rights theory and practice In addition to providing original analytical articles covering standard subjects such as the right to health and health care Amnesty International the Balkan wars and former President of Ireland Mary Robinson it offers innovative coverage of such subjects as the Internet intellectual property rights the American civil rights movement globalization and Brazil in historical context Focusing primarily on developments since 1945 it offers an unrivaled reference source for students and researchers even human rights experts are likely to find much original material and keen insights in many of the entries KEY SUBJECT AREAS INCLUDE ORGANIZATIONS AND INSTITUTIONS American Civil Liberties Union World Health Organization UNICEF Carter Center LEADING FIGURES Adolf Hitler Steve Biko Elie Wiesel Simone de Beauvoir Joseph Stalin Eleanor Roosevelt Pol Pot Shirin Ebadi Kim Jong Il HUMAN RIGHTS EVENTS AND CRISES Darfur Irish Famine Soviet Gulag Central America in the 1980s Colonialism Belgian Congo AIDS HUMAN RIGHTS NORMS Ethnic Cleansing Women's Rights Religious Freedom Torture International Law Disability Rights **The Walls Came Tumbling Down** Gale Stokes, 2012 Gale Stokes *The Walls Came Tumbling Down* offered one of the most respected interpretations of the East European revolutions of 1989 for many years It provides a sweeping yet vivid narrative of the two decades of developments that led from the Prague Spring of 1968 to the collapse of communism in 1989 Highlights of that narrative include among other things discussions of Solidarity and civil society in Poland Charter 77 and the Velvet Revolution in Czechoslovakia and the bizarre regime of Romania's Nicolae Ceauescu and his violent downfall In this second edition now appropriately subtitled *Collapse and Rebirth in Eastern Europe* Stokes not only has revised these portions of the book in the light of recent scholarship but has added three new chapters covering the post communist period including analyses of the unification of Germany and the collapse of the Soviet Union narratives of the admission of many of the countries of the region to the European Union and discussion of the unfortunate outcomes of the Wars of Yugoslav Succession in the Western Balkans

From Eastern Bloc to European Union Günther Heydemann, Karel Vodička, 2017-10-01 More than 25 years after the fall of the Soviet Union European integration remains a work in progress especially in those Eastern European nations most dramatically reshaped by democratization and economic liberalization This volume assembles detailed empirically grounded studies of eleven states Estonia Latvia Lithuania Poland the Czech Republic Slovakia Hungary Romania Bulgaria Slovenia and the former East Germany that went on to join the European Union Each chapter analyzes the political economic and social transformations that have taken place in these nations using a comparative approach to identify structural similarities and assess outcomes relative to one another as well as the rest of the EU
