**The Brooklyn Nine** Alan Gratz, 2009 Follows the fortunes of a German immigrant family through nine generations beginning in 1845 as they experience American life and play baseball **Rena's Cowboy** Agnes Alexander, 2013-04-01 While touring a present day Arizona cavern Atlanta police officer Rena Dumont gets lost and is trapped by a cave in When she regains consciousness she finds herself on Jack Haywood s ranch in the year 1876 Though Jake is the epitome of everything Rena thinks a real man should be she knows she has to fight her growing feelings for him and try to return to her time Jake Haywood is fighting to save his ranch from a bank takeover and the encroachment of the neighboring rancher Now he finds he must cope with a sassy strange woman who can shoot as well as any man and talk as tough as he can Though he s confused by Rena he has a hard time ignoring the attraction he feels every time he looks at her *Forum and Column Review*, 1929 **Black as Blood** Rob Chilson, 2020-05-11 In a world where the dead walk however poorly for a corpse to sit up at his funeral and curse his ex partner is shocking but not unheard of Murder mayhem and mirth follow involving partner Bernie McKay Hat Stetson and his redneck friends Justin Waley the sword swinging accountant and Rod Parker the troll like deputy sheriff in a search for stolen gold for revenge for the truth Excerpt Hyaw Raw Yaw Bernie McKay jumped and looked around in the dim room Someone was coming at him from the kitchen He had stumbled away from the stair so he ran and ducked behind the couches around the coffee table heart beating quickly It came into the light from the window No You re dead Uncle Albert s face gleamed waxily pulled back and fixed into a scowl teeth gleaming His eyes were swelling popping out despite the embalming He cawed and croaked no longer able to speak intelligibly but hatred still animated him enough to send him shambling around the coffee table and its couches His best suit was incongruously festive the diamond winking from his tie shirt sleeves open where he d lost his studs black shoes scuffed Harr Yaw Back get back Bernie danced sideways spun a chair into the thing s way It patiently fumbled the fallen chair aside never taking its gaze off him Raw Raw Rawrr It

came on not fast not slow more than ever like some wind up machine clumsy powerful unsophisticated Bernie was frightened but despite that he had a sudden flood of unreality It was too absurd a picture himself confronting this tenacious dead thing from which all rationality had departed What would the neighbors think A flash of anger shook him You stupid asshole he barked You can't come in here like this Ignoring him it got close enough to lunge Sweating Bernie danced around again brief anger gone and choky fear back It wouldn't ever stop coming He gripped the smaller of the couches When it turned and started for him again he aimed the couch like a pool cue and thrust with panicky strength It was too slow to dodge and was bowled over backward Shrieking You old bastard Bernie was running for it even as it fell He grabbed a chair and made a full overhand sweep with it staggering as its legs bounced off the ceiling It came down with diminished force on Uncle Albert's unprotected head Wood or bone crunched and Bernie raised the chair again panting glaring This time he swept it around in a lower arc but the corpse let itself fall backward to raise its arms The chair crashed into them and did little harm Before he could pull it back Uncle Albert cawing had seized it For a moment there was a nightmarish tug of war over the chair then Bernie released it falling back to the fireplace The corpse struggled slowly to its feet Bernie wasted time fumbling for the poker because he couldn't bear to look away from it When he finally had it the corpse was upright and swinging the chair back over its head stumbling toward him Quickly Bernie ran at it taking advantage of its slow clumsiness to shove it But that brought him face to face with it and into its evil putrid chemical odor He almost panicked eyeball to eyeball with Death Hysterically he shoved it away screaming Die Die Die and swinging the poker again and again smashing the face the head the chair it finally brought forward following it up as it staggered backward as it fell striking and striking and striking screaming and screaming Dirty rotting scoundrel

Reunion George D. Schultz,2015-01-19 Have you ever wondered what it would be like if your path crosses with a significant or maybe not all that significant other from way out of your past After all those yearsdecades maybewould some almost long forgotten romance be magically reignited Would this be an answer to some conscious or subconscious lifelong prayer Would youcould yourecapture some or all of the real or imagined magic that had once sprung whether in your imagination or otherwise from the relationship This is not to advise you or admonish you to be careful what you wish for Far from it The adventure might turn out to be every bit as rewarding as you might have imagined or even hoped for It may even surprise you shock you even In this celebrated tome we bring you the stories of three such by chance reunions three such monumental discoveries But we also ask the question whether time and space could or do ever cooperate with the many situations that the expectant mind the uninhibited imagination and the possibly needful psyche might have come to expect

Luck Joan Barfoot,2010-01-29 There is good luck and there is bad luck and then there s the ambiguous sort of luck that s a lot of this and some of the other Philip Lawrence a robust and pleasure loving furniture maker dies suddenly at the age of forty six Though that s terribly young by most standards he s lucky to have passed presumably

peacefully in his sleep Less fortunate however are the three women he leaves behind to make sense of his loss There s Nora his wife of seventeen years who wakes up next to his dead body A fiery visual artist Nora s feminist re interpretation of biblical themes stoked fundamentalist outrage from her small town neighbours Now as her emotions run the gamut she must confront solo life in a place she despises Nora shares the house with Sophie a buxom and bossy redhead who works as the couple s housekeeper and personal assistant A recovering virtue addict Sophie turns to menial tasks as a way to suppress painful memories of her two year stint as an overseas aid worker Philip s death leaves her quietly reeling And then there s the pliable and vacuous Beth a former beauty queen who serves as Nora s live in muse and model She mourns not Philip so much as the loss of a haven from her own creepy past The novel follows the three days immediately after Philip s death Privately each woman deals with memories and emotions secrets and uncomfortable revelations while at the same time preparing for the public rituals of mourning including a funeral like no other The narrative moves seamlessly from one perspective to another with delicious dark humour and wry insight into the nature of death love mourning fundamentalism and luck Barfoot s tenth novel Luck was shortlisted for the 2005 Scotiabank Giller Prize The jury citation reads as follows Joan Barfoot is at the peak of her powers with this splendidly realized tragicomedy about a household in the wake of an unexpected death With its note perfect narration mordant wit and wonderfully neurotic cast of characters Luck shows how death can reveal life in all its absurdity and complexity This scintillating comedy of manners is also a profound meditation on fate love and artifice
