The Passion of Martin Scorsese

Annette Wernblad, 2014-01-10 From his earliest shorts to his recent feature films *The Departed* and *Shutter Island* this book offers an in depth analysis of the deepest archetypal themes symbols and structures in Martin Scorsese's entire body of work. It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological and spiritual enlightenment focusing especially on how each character is led to recognize accept and embrace his or her flawed traits. The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers particularly by speaking the language of the unconscious and forcing readers to examine their own hidden flaws.
