[The Romance of War, Vol.1 \(of 3\)](#) James Grant,2017-07-07 Example in this ebook CHAPTER I INTRODUCTORY In the Highlands of Perthshire a deadly feud had existed from time immemorial between the Lisles of Inchavon and the Stuarts of Lochisla In the days when the arm of the law was weak the proprietors had often headed their kinsmen and followers in encounters with the sword and for the last time during the memorable civil war of 1745-6 But between the heads of the families towards the latter end of the last century the period when our tale commences although the era of feudal ideas and outrages had passed away the spirit of transmitted hatred proud rivalry and revenge

lurked behind and a feeling of most cordial enmity existed between Stuart and Lisle who were ever engaged in vexatious law suits on the most frivolous pretences and constantly endeavouring to cross each other's interests and intentions quarrelling at public meetings voting on opposite sides prosecuting for trespasses and opposing each other every where as if the world was not wide enough for them both and on one occasion a duel would have ensued but for the timely interference of the sheriff Sir Allan Lisle of Inchavon a man of a quiet and most benevolent disposition was heartily tired of the trouble given him by the petty jealousy of his neighbour Stuart a proud and irritable Highlander who would never stoop to reconciliation with a family whom his father a grim duinhe wassal of the old school had ever declared to him were the hereditary foes of his race The reader may consider it singular that such antiquated prejudices should exist so lately as the end of the last century but it must be remembered that the march of intellect has not made such strides in the north country as it has done in the Lowlands and many of the inhabitants of Perthshire will recognise a character well known to them under the name of Mr Stuart It must also be remembered that he was the son of a man who had beheld the standard of the Stuarts unfurled in Glenfinan and had exercised despotic power over his own vassals when the feudal system existed in its full force before the act of the British parliament abolished the feudal jurisdictions throughout Scotland and absolved the unwilling Highlanders from allegiance to their chiefs Sir Allan Lisle who was M P for a neighbouring county was in every respect a man of superior attainments to Stuart being a scholar the master of many modern accomplishments and having made the grand tour To save himself further annoyance he would gladly have extended the right hand of fellowship to his stubborn neighbour but pride forbade him to make the first advances The residence of this intractable Gael was a square tower overgrown with masses of ivy and bearing outwardly and almost inwardly the same appearance as when James the Fifth visited it once when on a hunting excursion The walls were enormously thick the grated windows were small and irregular a corbelled battlement surmounted the top from the stone bartizan of which the standard of the owner was on great days hoisted with much formality by Donald Iverach the old piper or Evan his son two important personages in the household of the little tower To be continue in this ebook [The Captive Shifter](#) Veronica Scott,2017-03-24 Concealing her own considerable magical powers Caitlyn enters the service of the northern Witch Queen masquerading as a simple healer Under order from her goddess she is searching for a magical gem stolen long ago from her own people believed to be hidden in the massive castle The task is daunting but Caitlyn is sure she can locate the gem and escape bringing the prize back to the temple where it belongs Until she meets the captive shifter and her loyalties become dangerously divided In payment for her past services to his people Kyler the leopard shifter has entered into a life of servitude far from his forest home allowing the Witch Queen to tap his magic to power her ever darker spells Factions at Court are threatening to turn the Queen to the Shadow Her increasing demands for magic will cut short his nearly immortal lifespan Kyler's resigned to his fate until the day he crosses paths with the new arrival whose secrets and magic entice and attract both man and leopard Has he met his mate at last The Queen will

never willingly release him from captivity Caitlyn's goddess refuses to grant her any delay in accomplishing her own task Can they locate the magical gem fight the Shadow and win free of the Witch Queen to earn the right to be together **The**
