The Country Gentleman, 1906 Bingo Capitalism Kate Bedford, 2019-09-26 Casinos are often used by political economists and popular commentators to think critically about capitalism Bingo an equal chance numbers game played in many parts of the world is overlooked in these conversations about gambling and political economy Bingo Capitalism challenges that omission by asking what bingo in England and Wales can teach us about capitalism and the regulation of everyday gambling economies The book draws on official records of parliamentary debate case law regulations and in depth interviews with both bingo players and workers to offer the first socio legal account of this globally significant and immensely popular pastime It explores the legal and political history of bingo and how gender shapes and is shaped by diverse state rules on gambling It also sheds light on the regulation of workers players products places and technologies In so doing it adds a vital new dimension to accounts of UK gambling law and regulation Through Bingo Capitalism Bedford makes a key theoretical contribution to our understanding of the relationship between gambling and political economy showing the role of the state in supporting and then eclipsing environments where gambling played a key role as mutual aid In centring the regulatory entanglement between vernacular play forms self organised membership activity and corporate leisure experiences she offers a fresh vision of gambling law from the everyday perspective of bingo The Oxford Companion to the Book: D-Z Michael F. Preservation Kate Canterbury,2017-06-13 Riley Walsh has spent a lifetime flying under the radar One woman and a wild weekend is about to change everything Two lonely hearts Just once she'd like to be someone's first choice She's strong willed and spunky but she's left picking up the pieces from her ex's lies and manipulations and daydreaming about taking a scalpel to his scrotum Flying under the radar is what he does best He's laid back and loyal but he wants the most off limits woman in his world and nothing will ever make that a reality An arrangement of mutual benefit Two months four dates Five if things go well Five at the most But possibly six Definitely no more than six dates Only the appearance of a romantic relationship is required and they expect nothing more from their time together There will be none of those benefits involved One wild weekend After waking up in bed together very naked and even more hungover the terms and conditions of their arrangement no longer apply Now they're faced with something riskier than exposing their fake relationship letting go of the past and zipping up the future Some things have to fall apart before they can be put back together **Underneath it All** Steen Evald,2014
