chapter unfolds chronologically starting with the biblical foundation and moving through the work of the early and Medieval Church arriving at modern times The author builds a compelling case demonstrating how Western Civilization would be indistinguishable from India China or Africa today if not for the teachings of Christ and the Bible **Beyond Buildings** J. Donald Ragsdale,2014-03-25 Beyond Buildings Designed Spaces as Visual Persuasion is an assessment of the visual persuasiveness of designed spaces It demonstrates that these spaces are as socially influential as speeches or advertisements are and that an awareness of this influence provides an insight into the cultural roles of designed spaces The book considers a diverse array of spaces ranging from pleasure gardens and parks to city parks and cities themselves and includes assessments of the visual impact of national parks zoological gardens amusement parks battlefields and monuments and the interior spaces of buildings Beyond Buildings is an extension of theories of persuasion and visual communication to landscape architecture and interior design The book bases its assessments on the elements of visual literacy as well as the elements of landscape and interior design to show that such designed spaces as gardens parks battlefields and cities affect the viewer in such a way as to have social impact **Egypt** Mona L. Russell Ph.D.,2013-01-11 This handbook provides an overview of the society culture geography history and politics of contemporary Egypt While such historic monuments as the pyramids at Giza the Karnak Temple and the Valley of the Kings draw visitors to Egypt each year the country is today a large and varied collection of some 79 million people An important political and cultural force in the Middle East and home to one of Africa s most advanced economies Egypt is rapidly becoming a major player in the 21st century world This comprehensive text examines all facets of life in Egypt including its land history politics and culture It is written in a manner that makes the subject accessible and engaging for readers with little prior knowledge about the country but also provides a critical analysis of the latest research for students and scholars familiar with Egypt and its people Special attention is given to the historical period following the rise of Islam to enable a greater understanding of Egypt s contemporary government religious practices popular culture and current events **Topos in Utopia: A peregrination to early modern utopianism's space** Sotirios Triantafyllos,2021-09-07 Topos in Utopia examines early modern literary utopias and intentional communities social and cultural conception of space Starting from Thomas More s seminal work published in 1516 and covering a period of three centuries until the emergence of Enlightenment s euechronia this work provides a thorough yet concise examination of the way space was imagined and utilised in the early modern visions of a better society Dealing with an aspect usually ignored by the scholars of early modern utopianism this book asks us to consider if utopias imaginary lands are based not only on abstract ideas but also on concrete spaces Shedding new light on a period where reformation zeal humanism s optimism colonialism s greed and a proto scientific discourse were combined to produce a series of alternative social and political paradigms this work transports us from the shores of America to the search for the Terra Australis Incognita and the desire to find a new and better world for us **The Garden District of New Orleans** Jim Fraiser,2012-03-01 The Garden District

of New Orleans has enthralled residents and visitors alike since it arose in the 1830 s with its stately white columned Greek Revival mansions and double galleried Italianate houses decorated with lacy cast iron Photographer West Freeman evokes the romance of this elegant neighborhood with lovely images of private homes dazzling gardens and public structures Author Jim Fraiser vividly details the historical significance and architectural styles of more than a hundred structures and chronicles both the political and cultural evolution of the neighborhood The Garden District unlike the French Quarter evolved under the auspices of predominantly Anglo American architects hired by newly arriving and newly wealthy Americans Beyond these wealthy homeowners the Garden District also offers a startlingly diverse and freewheeling history teeming with African American slaves free men and women of color French Italians Germans Jews and Irish all of whom helped fashion it into one of America s first suburbs and most extraordinary neighborhoods Fraiser animates the Garden District s story with such notables as Mark Twain Jefferson Davis occupying Union general Benjamin Butler flamboyant steamboat captain Thomas Leathers crusading Reverend Theodore Clapp Confederate generals Jubal Early and Leonidas Polk jazzmen Joe King Oliver and Nate King Cole champion pugilist John L Sullivan local authors Grace King George Washington Cable and Anne Rice Mayor Joseph Shakespeare architects Henry Howard Lewis Reynolds and Thomas Sully cotton magnate Henry S Buckner and Louisiana Lottery co founder John A Morris In words and photographs Fraiser and Freeman explore the unexpected evolution of this district and reveal how war plagues politics religion cultural conflict and architectural innovation shaped the incomparable Garden District

China's Christianity ,2017-04-24 Among the assumptions interrogated in this volume edited by Anthony E Clark is if Christianity should most accurately be identified as Chinese when it displays vestiges of Chinese cultural aesthetics or whether Chinese Christianity is more indigenous when it is allowed to form its own theological framework In other words can theological uniqueness also function as a legitimate Chinese Christian cultural expression in the formation of its own ecclesial identity Also central to what is explored in this book is how missionary influences consciously or unconsciously introduced seeds of independence into the cultural ethos of China s Christian community Chinese girls who pushed the limits of proper behaviour for example added to the larger sense of confidence as China s Christians began to resist the model of Christianity they had inherited from foreign missionaries Contributors are Robert E Carbonneau CP Christie Chui Shan Chow Amanda C R Clark Lydia Gerber Joseph W Ho Joseph Tse hei Lee Audrey Seah Jean Paul Wiest and Xiaoxin Wu

The Golden Ratio Gary B. Meisner,2018-10-23 This enlightening and gorgeously illustrated book explores the beauty and mystery of the divine proportion in art architecture nature and beyond From the pyramids of Giza to quasicrystals to the proportions of the human face the golden ratio has an infinite capacity to generate shapes with exquisite properties Author Gary Meisner has spent decades researching the subject investigating and collaborating with people across the globe in dozens of professions and walks of life In The Golden Ratio he shares his enlightening journey Exploring the long history of this fascinating number as well as new insights into its power

and potential applications The Golden Ratio invites you to take a new look at this timeless topic **Consequential Museum Spaces** Bettina Messias Carbonell,2023-03-16 In Consequential Museum Spaces Representing African American History and Culture Bettina Messias Carbonell examines how African American history and culture is and historically has been represented in culturally specific and mainstream museums Carbonell argues that African American museums provide a corrective history that is both argumentative and pragmatic these museums educate and enlighten and they seek to effect change Themes examined here include settlement narratives key movements and individuals in political social and military history the treatment of slavery includingthe African transatlantic and American slave trade and the long history of slavery as an institution in the United States the status of Africa the continent and individual countries and regions as a source of origins and traditions and a destination for reconnection with the past and activism and human rights Carbonell considers this museum based work in the context of relevant historical written texts and in the context of contemporary theories involving memory and history corrective history intergenerational trauma human rights and historical consciousness

Phenomenology of the Winter-City Abraham Akkerman,2016-01-12 This book explores how the weather and city form impact the mind and how city form and mind interact It builds on Merleau Ponty s contention that mind the human body and the environment are intertwined in a singular composite and on Walter Benjamin s suggestion that mind and city form in mutual interaction through history have set the course of civilization Bringing together the fields of philosophy urbanism geography history and architecture the book shows the association of existentialism with prevalence of mood disorder in Northern Europe at the close of Little Ice Age It explains the implications of city form and traces the role of the myths and allegories of urban design as well as the history of gender projection onto city form It shows how urbanization in Northern Europe provided easier access to shelter yet resulted in sunlight deprivation and yielded increasing incidence of depression and other mental disorder among the European middle class The book uses the examples of Kierkegaard Nietzsche Dostoevsky and Kafka to show how walking through the streets squares and other urban voids became the informal remedy to mood disorder a prominent trait among founders of modern Existentialism It concludes by describing how the connection of anguish and violence is relevant to winter depression in cities in North America in particular **Public Spaces, Private**

Gardens Lake Douglas,2011-05-17 Landscape architect Lake Douglas employs written accounts archival data historic photographs lithographs maps and city planning documents many of which have never been published until now to explore public and private outdoor spaces in New Orleans and those who shaped them Public Spaces Private Gardens an informative stroll through the last two hundred years of the designed landscapes and horticultural past of New Orleans offers a fresh look at the cultural landscape of one of America s most interesting and historic cities **Artifacts of Revolution** Patrice Elizabeth Olsen,2008-09-11 This innovative history utilizes the built environment as a means of tracing the path of the consolidation of the Mexican Revolution Patrice Elizabeth Olsen considers the physical changes in Mexico City s built

environment using them to evaluate the extent and direction of regime consolidation of successive governments during the critical period from 1920 to 1940 Architects engineers politicians and entrepreneurs alike expressed visions of what modern Mexico should be and sought to improve the nation through an array of initiatives Their successes and failures and thus the direction of the revolution is written in the capital city The author s interdisciplinary approach offers an important contribution to the study of Mexican political history and the aesthetics of modernity The Plight of Rome in the Fifth Century AD Mark Merrony, 2017-07-06 The Plight of Rome in the Fifth Century AD argues that the fall of the western Roman Empire was rooted in a significant drop in war booty agricultural productivity and mineral resources Drawing on literary and archaeological data this volume establishes a correspondence between booty in the form of slaves and precious metals from foreign campaigns and public building programmes and how this equilibrium was upset after the Empire reached its full expansion and began to contract in the third century Merrony explores how Rome was weakened and divided unable to pay its army feed its people or support the imperial bureaucracy and how this contributed to its administrative collapse
