traveled to another dimension accompanied by a beautiful loving Being of Light and was given information to bring back to help humanity with the evolution of consciousness as we become Divine Humans Specifically the message I brought back is that we don't die The body dies but the essence of who we are continues We are eternal spiritual beings having temporary human experiences in physical worlds as part of our spiritual journey returning to the Source of our being As we learn to live without fear of death we become more loving and compassionate toward each other all sentient beings and this beautiful planet Over the 40 years since my NDE I've become a deeply spiritual person I believe all religions have some truth but none have all the truth My answers to your questions are from my heart to open yours to Unconditional Love Namaste **After**

Francesco Brian Malloy, 2022-04-26 Acclaimed author Brian Malloy brings insight humor and the authenticity of his own experiences as a member of the AIDS generation to this universal story of love and loss set in New York City and Minneapolis at the peak of the AIDS crisis Both a tribute to the generation gutted by the pandemic and a powerful exploration of heartbreak recovery and how love can defy grief AFTER FRANCESCO is a balm for anyone who's ever struggled through a period of darkness and come out the other side thanks to good friends a bit of dark humor and a reason to fight Like Rebecca Makkai's The Great Believers author activist Malloy's newest novel is a heartrending portrayal of the realities of healing Oprah Daily Best LGBTQ Books of the Year The year is 1988 and 28 year old Kevin Doyle is bone tired of attending funerals It's been two years since his partner Francesco died from AIDS an epidemic ravaging New York City and going largely ignored by the government leaving those effected to suffer in silence feeling unjustifiable shame and guilt on top of their loss Some people might insist that Francesco and the other friends he's lost to the disease are in a better place but Kevin definitely isn't Half alive he spends his days at a mind numbing job and nights with the ghost of Francesco drunk and drowning in memories of a man who was too young to die When Kevin hits an all time low he realizes it's time to move back home to Minnesota and figure out how to start living again without Francesco With the help of a surviving partner's support group and friends both old and new Kevin slowly starts to do just that But an unthinkable family betrayal and the news that his best friend is fighting for his life in New York will force a reckoning and a defining choice This novel is fresh well observed often funny sometimes angry and always real I can't think of another novel about the AIDS years that captures that difficult messy intense age more accurately or movingly Christopher Bram author of Gods Monsters **The Long Ride Home** Tawni Waters, 2017-09-05
