

WITCHILD

Would you like another cup of tea, dear?
Oh... no, no, no, I'd better go
actually; I'm going to the lake for
the fishes.

I'll take you down to that bright
city side
There to ponder your sweet face
and point to a smile
that will show all of the
pleasures and none of the pain,
when you join my exploration and
play with my games.
Witchild dances the days and
dances the nights away.
Witchild dances the days and
dances the nights away.

In unconditional surrender, no
armistice day,
Each night I'll die in my
contentment and be in your
arms
while you bring me water and I
give you wine.
Let me dance in your doorway
and you shall enter in mine.
Witchild dances the days and
dances the nights away.

Open your windows and I'll
walk through your doors.
Let me live in your country. Let
me sleep by your shores. Sweet.
Witchild dances the days and
dances the nights away.
Witchild dances the days and
dances the nights away.

QUEEN AND COUNTRY

The wind is on the river and the
tide has turned too late.
So we're waiting for another
shore where some other ladies
wait
to share an illness whippers,
catch us by the mother shames.
But we all laugh so politely and
we tell us, just the same.
For Queen and Country, in the
long dying day.
And it's been this way for five
long years, since we signed our
sails away.

We bring back gold and heavy
rings of diamonds, winking at
pearls.

Flake presents to the
government as they can have
their needed whilst
with Queen and Country in the
long dying day.
And it's been this way for five
long years, since we signed our
sails away.

For Queen and Country, in the
long dying day.
And it's been this way for five
long years, since we signed our
sails away.

They hold nations and they
build battleships, with the spells
of battles won.
And we women take pretty
cotton boys, hold our heads up
to the gun.
For Queen and Country, in the
long dying day.
And it's been this way for five
long years, since we signed our
sails away
in Queen and Country in the
long dying day.
And it's been this way for five
long years, since we signed our
sails away.

LADIES

Ladies of letters, with their
eyes on the back roads,
All looking for strangers, to
whom they entered welcome
with a smile and a glimpse of
pink knees and elbows,
of smiles and velvet. Good
ladies! good ladies.
Ladies.

BACK-DOOR BRIGADE

In and out of the front door ran
twelve back-door apples.
Their hole was a golden brown,
they didn't see me with my eye.
The cold they put me was to
sleep with just a whisper
and touch the handle of dying
days and make them longer.
They carry their candles high
and they light the dark hours.
And every all the country
dances with present and absent
withholders.

They grow all their roses red
and point our shoes blue;
drop one penny in every second
hand, make half the buyers
lose.

SEALION

Over the mountain and under
the sky,
riding fifty grey horses, go you
and I.
Flaming with shame, expelling
with wrath
the coal-mined pyromaniacs, for
what it's worth.

The two-ounce needles are
rehabilitated.
The super-saboteurs are no
parade.
There's a golden handshake
hanging round your neck
as you light your cigarette on
the burning deck.
And you believe your world is
the tip of your nose
like a Red Lion with a ball, at
the carnival.

The crew is thirty able and a
sassy lot;
the ship's company of sailors
lose it go at that.
The back-overs-slightly at the
Tinsler's gun
with your shoulders smiling in
the second-day sun.

You fly and you fly under the
big white top
where the long-legged stop-
minutes starts and stops.
But you know, after all, the art
in wanting this
on the crowd-grown scenery and
the house begin.
But you believe your world is
the tip of your nose;
you're a Red Lion with a ball at
the carnival.

Just a trace of pride upon our
head prices
for there is no business like the
show we're in.
There is no reason, no rhyme,
no right
to know the show is all we've
said good-night.
The same performance, in the
same old ways.
It's the same old story in this
Fanning Flap.
So we'll cheer the moon and
hope to sell the town
and make no presentation of this
big bottom.
Each hour we believe the world
is the tip of our nose,
like a Red Lion with a ball at the
carnival.

They sing of their heroes, of
military soldiers
invited to good health and
sorrow most charming.
Whose heroes are numbered
innumerable will intercede
by hours in a minute, by these
ladies what bless them.
Ladies.

Why do the faithful have such a
will to believe in something?
And tell it the same they
dream, having chosen nothing.

Think I'll sit down and forget
some hell, some Grand Court
justice.
And next time the die is cast,
he'll throw a die or two.
In and out of the back-door ran
twelve back-door apples.
The hole was a golden brown,
the cold and I think the
wicked her eye.

Warchild The Collected Edition

Matt Wagner, Greg Rucka

Warchild The Collected Edition:

Warchild Ernie Lindsey, 2015-02-18 WARCHILD The Collection Edition WARCHILD PAWN The world ended long before Caroline Mathers was born but that doesn't mean life stops for the fourteen year old army scout for the People's Republic of Virginia. With a civil war brewing on the horizon, Caroline's worst fears come true the day she hears the terrifying boom of distant drums beating to the war rhythm echoing throughout their quiet valley. The Democratic Alliance is marching south for an invasion. WARCHILD JUDAS After a harrowing desperate retreat to the capitol city of Warrentville, Caroline faces new battles, enemies who should be friends, ghosts from the past, and frantic preparations for combat. Trust is shattered. Betrayal is rampant. WARCHILD SPIRIT For the citizens of the People's Republic of Virginia, their last hope of freedom has faded with their spirits. But not if Caroline can help it. She's out of options yet giving up was never one of them. Facing overwhelming new challenges and old enemies, Caroline soon learns that even when the bullets stop flying, the war is never over. *War Child*

Annette Janic, Catherine McCullagh, 2016-03-05 *War Child* is a true story that spans 100 years, revealing agonising choices against the backdrop of Nazi Germany, the lingering effects of war, the 1950s Australian migration experience, and a modern day search. Magdalena Leni is an illegitimate child born in a small town steeped in superstition in pre-World War II Germany. Denounced as a source of shame by her devoutly Catholic grandfather and the narrow-minded townspeople, Leni and her mother eke out a living dogged by poverty and prejudice in a country moving inexorably towards war. With the advance of the Red Army, Leni and her family are stripped of their possessions and forced to survive on their wits, transforming Leni from a meek, cowed girl to breadwinner and protector. She becomes a member of the Hitler youth while at the same time puzzling over the disappearance of her Jewish friend. Forced to leave school at 14, Leni is confronted with the terrible choice of submitting to secret systematic rape by her employer or having her mother interned. When she falls pregnant, she is determined to avoid the hardship she endured as a child and marries her Yugoslav boyfriend and migrates to Australia. It is an arduous journey marred by the appalling conditions at Bagnoli transit camp and the enormous difficulties of beginning a new life in Australia. In researching her mother's life after the death of both parents, Leni's daughter, Annette, makes a startling discovery. With her dying breath, Leni's confidante reveals another secret. A complex search that crosses three continents follows as Annette gradually unravels the web of intrigue that protects her mother's ultimate secret.

Confessions of a War Child (Sahara) Chaker Khazaal, 2015-06-22 *Sahara*, the final installment of the *Confessions of a War Child* trilogy, focused on the rise of terrorist acts and ongoing unrest in the Middle East. The concluding novel blends real time conflict with fiction, twisting and turning at full throttle down a bumpy road of trickery, remorse, and adoration. In *Confessions of a War Child: Sahara*, the power of love vs. the love of power becomes a potent struggle when intertwined with a deadly confession. A traitorous spy. His beautiful wife. Secrets and lies. One knife. Two hearts. Their love unravels in a pool of blood. A tragic murder suicide paralyzed by fear, consumed with guilt, defenseless. Narrated by a new character in the trilogy.

his presence is felt from chapter one s e Revelatione to the final e Confessione A broken soul he maneuvers his way to the World of the Dead Searching for his beloved wife Sahara so named after her country of birth he casts his eyes down to his beloved home Sahara Witnessing the revolution from afar death and destruction brought about by his hand she is the only Sahara that matters e Fear is the only feeling that deters us from making our dreams come true e e Was it more important to live a dream than to fulfill one e Over the years Chaker has traveled throughout the Middle East speaking to war children and refugees in conflict zones He was so inspired by their stories the writing seed was sown Flourishing into a trilogy this unique mix of intrigue murder and romance spanning eighty three years and into the future has come to an end or has it **War**

Child Emmanuel Jal,2025-10-16 In the mid 1980s Emmanuel Jal was a seven year old Sudanese boy living in a small village with his parents aunts uncles and siblings But as Sudan s civil war moved closer with the Islamic government seizing tribal lands for water oil and other resources Jal s family moved again and again seeking peace Then on one terrible day Jal was separated from his mother and later learned she had been killed his father Simon rose to become a powerful commander in the Christian Sudanese Liberation Army fighting for the freedom of Sudan Soon Jal was conscripted into that army one of 10 000 child soldiers and fought through two separate civil wars over nearly a decade But remarkably Jal survived and his life began to change when he was adopted by a British aid worker He began the journey that would lead him to change his name and to music recording and releasing his own album which produced the number one hip hop single in Kenya and from there went on to perform with Moby Bono Peter Gabriel and other international music stars Shocking inspiring and finally hopeful War Child is a memoir by a unique young man who is determined to tell his story and in so doing bring peace to his homeland
