Warden Elemental Paladins Montana Ash:

Warden Montana Ash,2015-11-26 Ryker is a paladin An ancient knight born to protect those precious few who hold powers over the elements He is bound by honour courage and loyalty But when tragedy strikes he forsakes everything he stands for vowing never to serve again He opens his home to other rejected and dishonoured knights but never his heart That is until a sarcastic sword wielding miniature Warden barges into his life bringing chaos and mayhem to his carefully ordered world Will he forgive himself for past mistakes Or will old wounds continue to scar his future Max is different She has a strange affinity to nature and finds herself constantly causing disasters wherever she goes What s more strange creatures stalk her every step their relentless pursuit driving her to the brink of exhaustion Stumbling upon a gaggle of hot ancient knights seems too good to be true but she can t deny they have the answers she s looking for Too bad their Captain is a growly insensitive jerk who insults her every time he opens his gorgeous mouth Should she trust her instincts and allow herself to hope for the first time in her life Or will her fierce independence cause her to lose the one thing she has always craved a home
