Warrior Mountains Folklore

Charles Haywood

Warrior Mountains Folklore:

Warrior Mountains Folklore Rickey Butch Walker, 1995 Warrior Mountain Folklore Rickey Butch Walker, 1995
Lawrence County Schools Indian Education Program October 1995 This book is not copyrighted and may be used for any educational purpose The book is intended to enhance the cultural awareness of Indian students enrolled in Lawrence County Schools Indian Education Program from title page **Moonshine and Murder or Legends and Lies** Wendy Hazle, 2015-09-02 On the night of June 13 1937 gunfire shattered the peace at Owens Chapel Baptist Church Amid the screams and blood one man lay dead another stumbled out of the church with a bullet in his chest Bertha Perry struggled to control the bleeding from her abdomen and Lorene Potter labored to breathe through collapsed lungs Others were surprised to find themselves bleeding from stray bullets What caused two men to open fire in a church crowded with the faithful gathered for the start of Revival Week Both men had family not more than 15 feet from where they began their deadly gunfight What secrets brought tragedy to so many families in that terrifying ten minutes Moonshine and Murder or Legends and Lies will shed light on the tragedy that has haunted Lawrence County for almost 80 years *Appalachian Indians of Warrior Mountains* Rickey Butch Walker, 2013-01-01 Appalachian Indians of the Warrior Mountains embodies the American Indian history of southern Appalachia along with an underlying deep love of great Native places such as the High Town Path Melton's Bluff and Doublehead's Town Rickey Butch Walker describes his childhood backyard using details that will paint a picture before your eyes of the life and times of Indian people Find out the history of our Native Americans of the Southeastern United States hear a story about a battle and love of a young Chickasaw maiden Magnolia listen to the passion of Walker's voice as you read about the struggle of the removal of his own people to another land and embark through time as you read this book It is so important to preserve the history of our aboriginal people and realize that they played an important part of what our country is today Some historians and books would like to start American history with Columbus the founding presidents or the first Thanksgiving where Indians are first mentioned The truth is our story as Native Americans and our American history starts way before Columbus the first people struggled for survival thousands of years before European explorers made their first appearance in this country Rickey Butch Walker does an excellent job in this book of keeping our past alive for present day and he gives this gift to our youth in order for them to have a record and recollection of their ancestors for years to come Without these facts being passed or these stories being told our heritage would slowly fade and dry up like a grape in the sun I appreciate the fact that Rickey Butch Walker fights to keep our American Indian stories of the Southeastern United States fading from the pages of history Brandy W Sutton **Folklore** Joseph Jacobs, Alfred Trübner Nutt, Arthur Robinson Wright, William Crooke, 1908 Most vols for 1890 contain list of members of the Folklore Society **The South's Forgotten Fire-Eater** Chris McIlwain, 2020-12-05 The story of the American Civil War is typically told with particular interest in the national players behind the war Davis Lincoln Lee Grant and their peers

However the truth is that countless Americans on both sides of the war worked in their own communities to sway public perception of abolition secession and government intervention In north Alabama David Hubbard was an ardent and influential voice for leaving the Union spreading his increasingly radical view of states rights and the need to rebel against what he viewed an overreaching federal government You have likely never heard of Hubbard the grandson of a Revolutionary War soldier who fought under Andrew Jackson in the War of 1812 He was much more than that stereotype of antebellum Alabama politicians being an early speculator in lands coerced from Native Americans a lawyer and cotton planter a populist an influential member of the Board of Trustees of the University of Alabama and a key promoter of the very first railroad built west of the Allegheny mountains Alabama s Forgotten Fire Eater is the story of Hubbard s radicalization describing his rise to becoming the most influential and prominent secessionist in north Alabama Despite growing historical interest in the fire eaters who whipped the South into a frenzy there has been little mention until now of Hubbard s integral involvement in Alabama s relationship with the Confederacy Now historian Chris McIlwain offers Hubbard s story as a cautionary tale of radical politics and its consequences Native American Folklore in Nineteenth-century Periodicals William M.

Clements,1986 Though study of American Indian cultures had been fostered for several centuries by missionaries and explorers it was not until he nineteenth century that a disciplined and systematic approach to the study of New World cultures began to emerge With Schoolcraft Powell Boas and others an adventurers avocation first became a profession and it is to these early scholars that we owe the major theoretical perspectives and insights which provided a grounding for American anthropology and folklore studies In these twenty one essays many of which originally appeared in such now obscure periodicals as Southern Literary Messenger American Whig Review and DeLestry s Western Magazine Clements presents representative works by most of the major early figures in the field The collection includes early statements and applications of most of the theoretical approaches to folklore employed in the nineteenth century and it encompasses each of the major folklore genres studied by nineteenth century researchers Extensive headnotes to each essay provide information about the author discussion of the theoretical context of each essay and direction to more contemporary treatments of the theories and materials involved and the problems addressed These together with a brief introduction tracing the genesis of American folklore studies and chronological arrangement of the articles themselves make Native American Folklore a convenient introduction to and survey of the major ideas and figures of American folklore studies in its formative period

Cherokee Mythology (Illustrated Edition) James Mooney,2023-12-01 In Cherokee Mythology Illustrated Edition James Mooney offers a comprehensive exploration of the rich tapestry of Cherokee beliefs and narratives blending anthropological rigor with a lyrical literary style This work delves into the sacred stories deities and rituals that form the backbone of Cherokee culture presenting them not merely as myths but as vital elements of identity and communal memory The beautifully illustrated edition enhances the textual experience inviting readers to visualize the intricate connections

between the Cherokee people and their ancestral tales while situating these myths within the broader context of Native American literature and spirituality James Mooney an esteemed anthropologist and a pioneering figure in the study of Native American cultures spent several years living among the Cherokee His unique immersion into their communities allowed him to collect authentic narratives and understand the cultural significance behind them ultimately leading to this seminal text Mooney s dedication to preserving indigenous knowledge and stories is evident throughout as is his desire to bridge cultural gaps through his scholarship This illustrated edition is highly recommended for readers interested in anthropology folklore and indigenous studies It serves not only as an academic resource but also as a profound exploration of the human experience through myth Whether you are a student researcher or simply a curious reader Mooney s work will captivate you and deepen your understanding of the Cherokee worldview In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane,2016-05-09 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world *Anthropos* ,1993 *Mythology and Folklore in Many Lands* Fortnightly Review,1914 *Acquisition List* University of Hawaii at Manoa. Library. Pacific Collection,1985 *Journal of American Folklore* ,1948 **New Zealand Railways Magazine** ,1928 *China's Monguor Minority* Kevin Stuart,Limusishiden,1994 *The Routledge Companion to Fairy Tales* Claudia Schwabe,Christa Jones,2025-11-28 The Routledge Companion to Fairy Tales provides a comprehensive guide to fairy tales across literatures and cultures It offers an expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies literary studies and cultural studies The first part considers global formations of the canon and acts to decolonize the field of fairy tale studies highlighting the diverse national histories and traditions of the fairy tale worldwide It demarcates the complex history of the field of fairy tale studies and demonstrates how the genre is rooted in different oral stories and narratives passed down in cultures around the globe throughout time The second section outlines important critical approaches including recent developments shaping fairy tale studies today such as disability studies diversity

ecocriticism inclusivity and intersectionality Part three explores how fairy tales have been articulated through a wide range of forms and combinations of textual visual and sound media This section foregrounds the versatility and adaptability of the fairy tale and more specifically how it intersects with different art forms and genres including literature illustrations performing arts and media outlets Section four addresses sociocultural concerns in transnational fairy tale cultures and literatures examining the connections between fairy tales and multivocal influences in modern adaptations and postmodern reimaginings the undoing of colonization and appropriation feminism politics and activism the canon and controversies over authenticity This interdisciplinary collection draws on international perspectives from folkloristics ethnology ethnography cultural and social anthropology as well as queer and gender studies It will be an invaluable resource for students and researchers interested in fairy tales and their developments over time and across cultures

A Bibliography of North American Folklore and Folksong: The American Indians north of Mexico, including the Eskimos Charles Haywood, 1961
Unabridged and corrected republication of the work first published by Greenberg Publisher in 1951

Folklore studies, 1951

Folklore for Stalin Frank J. Miller, 1990 After the First Congress of Soviet Writers in 1934 folklore like literature became an instrument of the political propagandist Folklorists began to produce works of pseudofolklore that often featured Joseph Stalin in the hero's role This study includes synopses of some of these works

A Bibliography of North American Folklore and Folksong Charles Haywood, 1951
