The British Connection Tim Daly,2012-06-05 On the face of it author Tim Daly was an unlikely candidate for undercover agent Not only had he lived in America for less than a decade but his strong Scottish accent was unintelligible to many Americans At age fiftythree he should have been looking forward to a peaceful retirement rather than a dangerous new career But when they approached him in 1985 US Customs knew that what he lacked in youth he more than made up for in experience In *The British Connection* Daly a seasoned sailor provides a firsthand account of the extremely murky underworld

of drug deals in a variety of places including Florida the Cayman Islands Mexico Colombia Panama Belize and Venezuela as he worked as an undercover agent for five years to help bust Central and South American drug cartels His detailed story tells how he played a major role in operations involving thousands of kilos of cocaine and thousands of pounds of marijuana Daly recalls hobnobbing with Colombian racketeers setting up deals with Cubans in Miami and elsewhere meeting with senior members of the Medellin and Cali Cartels in their own countries and living to tell about it More than a thrilling memoir of action and adventure *The British Connection* exposes the chaos and treachery behind the war on drugs from a man who transported drugs around the Caribbean and Latin America and mixed with the world's most powerful and ruthless criminals
