2016 ICW Cruising Guide Robert Sherer,Ann Sherer,2016-07-16 I m known as Bob423 in postings on Active Captain and this is my second edition of the ICW Cruising Guide The focus of this guide is to aid the boater in safely navigating the 100 or so shallow areas of the Atlantic Intracoastal Waterway ICW with full page color charts for each hazard and directions for safe passage The guide is not a complete compendium of all marinas and anchorages there are plenty of other guides for that However it does include the marinas and anchorages we ve found spaced conveniently for ICW travel and where there s pet relief easily available Also included are lists of how to get ready for the trip and tips on making life more enjoyable on the waterway For the 2016 edition the charts have been enlarged to show better detail and buoys now have their own labels G3 R4 etc in larger type for easy reading Where not obvious the charts have a yellow line showing the deepest water I found during my trip north in the spring of 2016 Each chart has a mile marker location along with the minimum water found through the hazard as part of the hazard title at the top of each page All of the information on finding the deepest route through a hazard is from my personal experiences in six years of cruising the ICW updated on my spring trip north in 2016

Nothing is second hand except I did include hydrographic charts from Wilmington and Charleston ACOE where available to aid in transiting the worse of the shallow areas This year I have included waypoints for many of the most difficult areas such as Hell Gate Fernandina Jekyll Creek and a few others It can be very tedious manually entering the waypoints not to mention being error prone so I ve posted the waypoints as GPX Routes on my blog site at fleetwing.blogspot.com in the Pages section Since I use an iPad I ve also included instructions on how to transfer the GPX routes into the iPad for both the Navimatics Charts and Tides app and also the Garmin Mobile app Once loaded you will be following the same route I used in finding the depths I reported in the spring of 2016 The advice section has been updated with the latest iPad apps and links in the ebook version have been checked to be sure they work Many of the advice comments didn t change after all there s a base level of things to do that does not change year to year but there are still updates with additional experiences Thank you for considering the purchase of the guide The links have been left in blue with an underline I ve posted the active links on my blog page at fleetwing.blogspot.com so you don t have to google anything just find the link in the list and click Please leave a review on Amazon.com all reviews are helpful to other boaters considering a trip down the ICW Bob423 aka Robert and Ann Sherer *Waterway Guide Mid-Atlantic 2024* ,2023-12-15 *Waterway Guide Atlantic ICW 2011* Susan Landry,Terry Grant,2010-09 [Waterway Guide Atlantic ICW 2015](#) Dozier Media Group,2014-10 *Waterway Guide Atlantic ICW 2014* Dozier Media Group,2013-10-01 [Waterway Guide Atlantic ICW 2012](#) Dozier Media Group,2011-10-06
