Favorite Fingerstyle Solos for Ukulele Mark "Kailana" Nelson, 2015-11-03 From the author of Mel Bay's best selling book Learn to Play Fingerstyle Solos for Ukulele we are proud to present Favorite Fingerstyle Solos for Ukulele This book and accompanying audio available for download online offer a variety of fingerstyle solos for the ukulele The music stretches across several styles including Hawaiian ragtime bossa nova and classical The solos progress in difficulty and tips on technique are included along the way More advanced arrangements introduce chord inversions and different rhythmic approaches for the right hand Thirty three arrangements are presented in standard notation and tablature Transposition charts are included for baritone ukulele

Mastering Chord Inversion for Ukulele Mark Kailana Nelson, 2014-10-01 With over 1 000 chord diagrams and 37 full sized fingerboard charts Mastering Ukulele Chord Inversions is the most comprehensive and useful ukulele chord book ever published It includes all the chords you will need for fingerstyle and chord melody arrangements complex styles like jazz and bossa nova or simply for tickling your fingers and exercising your brain This book can help you find any chord but will also greatly enhance your understanding of how chords work enabling you to become a better musician Included are three full sized fingerboard diagrams showing all of the practical chord intervals for major dominant and minor chords in every key These will help you visualize how intervals relate to each other They will also help you play scales and arpeggios and find alternate fingerings for common chords Rather than list all the chords of a given type in 12 keys on one page chords are grouped together by how they are used in a particular key If you are looking for a G7 chord you'll find it alongside other dominant chords like G9 G7b9 and G7 5 Chords which serve similar musical roles are grouped together Likewise all the various flavors of major chords 6 6 9 M7 add 2 and minor chords appear together in one convenient place The chord diagrams have the familiar fretboard grid with the lowest fret clearly marked In addition each note in the chord is labeled to aid you in your study Each chord appears in several forms that move up the neck The ukulele's re-entrant tuning requires either doubling or leaving out certain chord notes to accommodate the instrument's four strings This means chord shapes are not inversions strictly speaking but the word is as good as any Practicing inversions as they move up and down the neck is essential to mastering your ukulele Alternate fingerings for chords at the lowest position of the neck have also been added

Favorite Old-Time American Songs for Ukulele Mark "Kailana" Nelson, 2016-07-19 This book features over 100 traditional American folk songs newly arranged for the ukulele with

chord diagrams and melody lines in tablature and standard notation This extensive collection makes Favorite Old Time American Songs for Ukulele a treasury of the best songs from the American tradition Nothing in this book is out of range for novice ukulele players The songs are in keys that are both easy to sing and that fit the melodic range of the ukulele Of course not every voice sings comfortably in every key so information on transposition and a short discussion for players of the baritone ukulele are included Although you do not need to read music or tablature to use this book short introductions to each are included In putting together this collection the author was inspired by the old American practice of making a sampler an endearing needlework design showing off various stitches and techniques The book presents a sampling of the best American songs for folks working in schools churches hospitals coffeehouses and other public performance spaces or for anyone wishing to expand their repertoire and brush up on a few old chestnuts There s a little of everything here sentimental old hearth songs laments and lullabies ballads and play parties the sacred and profane The overwhelming majority of songs come from pre industrial rural traditions because this is the kind of music that seems to go well with homemade music making in any age Downloadable audio of 18 of the songs is available online
