Ultimate Colloidal Silver Manual:

Licensed to Kill Barbara Every, 2012-12-26 Barb Every Wife Mother Grand Mother and Great Grand Mother with all these years and a host of experiences in observing and helping with all sorts of ailments and finding the old remedies of my mother and grand mother often times worked better than the drugs promoted by traditional doctors that only learn prescriptions and surgery in 8 years of Med School I started buying health books and monthly news letters by the dozens When modern medicine nearly killed my dear husband not once but two different times I knew something needed to be done to help others that are being sickened or killed by medicine poisons The book Licensed To Kill practically wrote itself it took barely over a week The title of the book the names of each chapter just fell into place Even the cover design of prescription containers was done without much thought on my part Divine intervention The only addition was Chapter 9 Here We Go Again which personally proved one more time what a natural cure iodine can do by regulating the pulse and what medical drugs and procedures cannot do I m still reading health books and Newsletters After all Natural cures with no side effects have been around for literally thousands of years Drugs and Prescriptions with many side effects including death are relatively new The Pharmaceutical Companies do not want you well Why would they They make their Big Bucks when you are ill and buying their Drugs

Survival Guide Jordan Gunner, 2020-09-14 This is a 3 book bundle which addresses various subtopics including but not limited to these Book 1 When it all hits the fan some know how to survive and some don't Knowledge and experience are at the root of survival in troubled times We do not always know when those times come so it can be useful to explore the possibilities of living off the grid becoming independent and living without water from the faucet electricity or internet In this book we ll touch on some of the most important elements of survival such as Creating water filters Getting clean purified water Staying cool during hot seasons without technology or airconditioning Surviving in the winter and enduring extreme cold weather Book 2 This book covers a range of topics that don't seem to be related at first but if you look closer you ll see the bigger picture All of these topics are more or less connected to the idea of fending for yourself being able to survive off the grid or in case of a major disaster The first chapter focuses on something specific Survival in the jungle As we all know the jungle is beautiful but also infested with bacteria bugs venomous and predatorial animals and full of both toxic and edible plants Learning what to do there can make all the difference if you were ever to make it through in such a climate Last but not least we ll go over some self defense techniques and gadgets people could use to defend themselves if they ever get attacked or cornered Book 3 In this short but informative book we will focus on three essentials of survival skills First we ll talk about the best ways to purify water This alone is something all people need to know Water can make you sick or heal you and keep you alive Knowing what you're doing is what will help you most Second the book focuses on First Aid skills If you ever get wounded exhausted dehydrated or you encounter something like a sprained ankle or major bruise what do you do You rely on your knowledge and fix it Learn how in this book Third an
