author's work Yet it's the mind behind these tales that feeds eagerly from its muse As the plots are energetically worked out the Authors fantasies are the only limitation Beautiful Sin by Penelope Friday Two friends met again after a period of prolonged absence and cordially acknowledge each other The reality is that both Catherine and Elizabeth share a passion that the world must never know Against a backdrop of strict moral codes their true feelings would see them incarcerated and separated forever their lust for each other deemed a sin Yet when the lights go out and others settle for the night both women can meet secretly once more to share in their beautiful sin The Spying Game by Roz MacLeod It's the height of the Cold War and the nation is on its guard against the spectre of foreign espionage When Sandi a top agent in the Secret Service is called before Control she is presented with a mission to uncover a possible double agent Determined to safeguard the Nation's secrets and using the cover of an erotic dancer Sandi embarks on her wild and raunchy assignment using every vice at her disposal to catch her target The Librarian by Eva Hore A young woman returns early to her shared apartment to find her scantily clad room mate preparing for a mysterious night out Where does a Librarian go after a day in the stacks Imagination runs riot as an increasingly lecherous scenario unfolds in the young woman's mind Her room mate's daytime mousy demeanour tight bun and glasses are soon discarded to reveal a wanton dominatrix hell bent on tasting the delights of her desires Wreck Her by Lynn Lake A business woman is unexpectedly delayed as her company car breaks down deep in the sun parched Manitoba prairie With no cell phone signal and the soaring heat of the surroundings rising desperation rapidly begins to set in Help soon arrives in the form of a tow truck that stops to offer assistance After thoroughly appraising the situation the truck driver is soon ready to dispense a unique form of roadside assistance that ultimately proves much to the woman's delight Mixed Blessings by Phoebe Grafton Two friends are in need of temporary relief from their respective husbands With one husband too demanding and the other too languid both wives decide that a weekend exchange is the best tonic A plan is hatched and after a night out together is put into effect as door keys are exchanged for each others home and husband The weekend that follows indulges each in the marital secrets of the other and in doing so sheds light over the question is the grass always greener on the other side Blindspot by Elspeth Potter Becca is both excited and intrigued when Dante brings a new toy to their swingers event But what fascinates her more is how he wants to use it Very soon she is joined by Marcus who assists both Dante and herself in experiencing a new exciting and heightened pleasure As they plunge into their shared lascivious adventure all inhibitions fall away leading them to a sensory finale of climactic proportions Maggie by Kay Jaybee Curiosity gets the better of Maggie as she follows John and Peter two well to do gentlemen from the village deep into the woods Her world is soon turned upside down when she witnesses both men indulging in a covert act of carnal pleasure an act which in her world carries a penalty of eternal damnation When the two well heeled men discover their concealed spectator they draw Maggie in as willing participant to their much larger and debauched plan
