Calling the Play Edward F. Dolan, 1984

Fast Pitch Fifties Pete Gallo, 2013-06-28 Fast Pitch A lost chapter in the history of America's favorite pastime is finally recovered and retold in brilliant and play by play detail in Pete Gallo's book Fast Pitch Fifties Readers are warmly invited to revisit New Rochelle during the 1950s and discover the Twilight League and windmill baseball at its height as some 20 teams battled for championship titles and local bragging rights Fast Pitch recalls a period when local sports was king and a championship series in towns like New Rochelle would draw crowds that were measured in the tens of thousands Based on interviews and historical accounts the author brings to life local legends of windmill at its height such as pitcher Rush Riley who threw a softball at major league speeds and was known for his Olympian endurance playing up to ten games per week While many of the names are less familiar windmill stars who managed national acclaim are also recalled such as Hicksville Long Island native Roy Stevenson an early pioneer of windmill pitch who helped inspire a generation of players in the New York metropolitan area Aimed at sports fans the book is also the story of an era one full of memorable characters like Popeye Claps an affable stationery store owner and baseball coach who managed to get Roy Rogers and his troupe to visit New Rochelle for an ad hoc block party for local kids Then there was Bruce Flowers a professional boxer who helped lead New Rochelle's most winning windmill team for the decade the New Rochelle Royals You will read about Bill Marino a veteran who lost his arm in World War II but remarkably managed

to recapture personal glory by becoming one of the league's most feared pitchers. The author also finds that windmill's most prominent feature led to its decline in community sports. It was a game where sheer pitching strength ruled the day, making balancing league play difficult, which helped give rise to its successor, modern slow pitch softball. Though fast pitch persists in popularity, particularly among women's college leagues, Gallo brings us back to an era when communities across America were first discovering the game. The book recalls how the social fabric of the 1950s, with its unbridled post-war optimism and corresponding economic boom, provided for a golden era in community sports, from stickball play to fast pitch. Gallo reminds us of how this amateur recreational league evolved to resemble a full-fledged minor league housed in a single city, the Queen City of the Sound.

Baseball-softball Playbook Ron Polk, Donna Lopiano, 1983.

The Lineup Card Tom O'Reilly, 2024-08-05. This is the first book to focus on a small but essential piece of every baseball game played during the last 100 plus years: the lineup card, used to record the full lineup and batting order for both teams. Drawing on input from dozens of memorabilia experts, collectors, team and league executives, umpires, coaches, and managers, the author tells the story of the lineup card's role in America's pastime, from its history and usage to cards from famous games and the people who collect them. Nearly 200 illustrations include cards for Sandy Koufax's 1965 perfect game, Cal Ripken's record-breaking 2,131st consecutive game, and the final game of Boston's first World Series title in 86 years.

Owning a Piece of the Minors Jerome Klinkowitz, 1999. Mapping out his personal journey, the author reminisces about living his dream when he acquired a minor league baseball team.

A League of My Own Patricia I. Brown, 2010-07-27. Growing up, Pat Brown had two dreams: to play baseball and to attend college. She was told she couldn't play baseball because she was a girl and couldn't attend college because she had no money, but in spite of the obstacles, she achieved both of these dreams, playing for the All-American Girls Professional Baseball League in 1950 and 1951, and going on to attend college. She is among the few women professional baseball players to be included into the National Baseball Hall of Fame. As the only former AAGPBL player to have written about the League, Brown says, "I feel like I have finally pitched my no-hit game." This is a memoir of playing baseball on the sandlot, discovering and playing in the AAGPBL, and playing basketball in college. Brown shares her thoughts on the League's history, including what Philip K. Wrigley sought to do by creating the AAGPBL, what happened after Wrigley left to give more attention to the Chicago Cubs, and why the League ended. She also considers the future for women's professional baseball. Interviews with such former AAGPBL players as Helen
