Heroes are not always the guys who jump on grenades Sometimes they are the snipers who decide to hold their fire the wounded operators who find fresh ways to contribute or the wives who keep the families together back home Even a SEAL commander especially a SEAL commander knows that But what s a hero really What do we have a right to expect from our heroes How should we hold them accountable Amid all the loose talk of heroes these questions are seldom asked As a SEAL commander Rorke Denver is uniquely qualified to answer questions about what makes a hero or a leader why men kill how best to serve your country how battlefield experiences can elevate us and most important why we fight and what it does for and to us And in *Worth Dying For* Denver shares his personal experiences from the forefront of war today Denver applies some of his SEAL sense to nine big picture news driven questions of war and peace in a way that appeals to all sides of the public conversation By broadening the issues sharing his insights and achieving what civilian political leaders have been utterly unable to Denver eloquently shares answers to America s most burning questions about war heroism and what it all means for America s future
