prosperity and giving back Henry's story is like none you've ever read before After a difficult upbringing that Henry shares he seemed to turn things around by going into sales and prospering in his career In fact he was doing so well that he and some of his colleagues decided to go into business for themselves That's when everything started to fall apart The company Henry worked for learning their employees might soon become their competitors brought unjust criminal accusations against them making Henry's life very difficult After being found guilty of crimes that were not really crimes at all his life became complicated when he was assigned to a corrupt probation officer This probation officer did everything imaginable to keep Henry from getting back on his feet until Henry became determined to get out from under the probation officer's power The result Henry decided to pay off his court fines as quickly as possible and he did that through a series of bank robberies Without giving away everything that happened to Henry the end result was he was caught and went to prison While Henry's life to that point might seem somewhat sensational to readers what happened next is remarkable Henry determined that this time he would take control of his life by making better decisions With *Unleashing Your Own Potential* Henry has turned his story into a teaching tool Each chapter begins with a segment of his personal story followed by a discussion of how that story applies to important lessons we all need to learn One of the biggest of those lessons is how to make better decisions Henry states To make better decisions we must train ourselves to engage our rational system more often That means slowing down and being more intentional about our choices By evaluating our options and considering our decisions potential consequences we can make more informed choices that are more likely to lead to our desired outcomes Henry had failed to make an informed choice when he became a bank robber but he has made such choices ever since The result has been a life of prosperity in real estate and coaching others on how to succeed in business and life Henry does not lecture the reader but offers simple but effective techniques we can use to apply the lessons learned to our lives For example in making decisions about your future he recommends using the 10/10/10 rule This technique involves considering how you will feel about your decision in ten minutes ten months and ten years By thinking about the future we put the decision in a better perspective and then can make a better decision Henry uses powerful and inspirational quotes throughout the book It's not what happens to you that determines how far you will go in life it is how you handle what happens to you from Zig Ziglar Henry did not handle well some of the adversity he faced but going to prison changed his ability to make better decisions about how to handle difficult situations He states The key to achieving optimal decision making lies in self awareness critical thinking and emotional intelligence He discusses all three of these decision making influences in detail Ultimately everything in life revolves around the decisions we make and how we decide to handle situations Henry discusses how to avoid negative thought patterns so we aren't trapped by them He encourages us to reach out to others to build a support network He recommends developing a clear sense of purpose so that we don't lose sight of our goals when adversity strikes He helps us learn how to overcome fear and refuse to be a victim of circumstances by realizing what part of our circumstances we can

control Henry knows from personal experience that learning these lessons and making these changes is not easy He states It was a challenging process I had to confront some hard truths about myself and my past But I knew it was the only way to move forward and create something positive from this experience He discusses how he used his time in prison as an opportunity to grow and change to read more than 700 books on personal growth and development and to begin the journey that ultimately led him from prison to prosperity by taking 100 percent responsibility for his life The results Henry achieved are beyond impressive Best of all the road to those results is practical No matter your adversities Henry offers advice to help you discover and unleash your potential *Release Your Destiny, Release Your Anointing* T. D. Jakes, 2011-07-28 T D Jakes You see him on television you read his books you listen to him pray and you see the anointing pour from his life Now T D Jakes reveals the principles he lives by and shows you how you too can live in the anointing Experiencing the anointing of the Holy Ghost flowing from your life begins with these simple principles We all desperately need the anointing to succeed The Holy Ghost knows better than we do The Holy Ghost is always with us leading us prompting us Yielding to the power of the Holy Ghost launches us toward our potential and destiny *Release Your Destiny Release Your Anointing Expanded Edition* includes a study guide that provides you the opportunity to delve deeply into the intention of God s anointing within you You will discover hidden gems within yourself serving as catalysts to releasing your own unique anointing Filled with foundational Scripture references thought provoking questions and meditation thoughts each page of the 40 day devotional journal uncovers the beauty of God s love for you and unveils His design for your destiny Bishop Jakes compelling teachings have influenced millions over the years now you can discover his inspirational and motivating secrets for a Spirit filled life and ministry as well *Unleashing Your Ambition* Michael Fulmore, 2013-12-01 Learn to gain mental physical and emotional control over yourself to transform your life and achieve your goals Why wait to be extraordinary when your life is happening now It has become common for people not to realize their dreams or even consider the vast potential they possess Could it be what s needed is a slight shift in personal perspective outlook and a refined philosophy Life is challenging However we all possess the human potential to overcome setbacks excel beyond our imagination and even explore new dreams In *Unleashing Your Ambition* personal change expert Michael Fulmore uses wisdom wit and personal experience to explain how you take control of your future by controlling yourself mentally physically and most importantly emotionally You never have to tolerate your current life You absolutely possess the power and human potential to change your destiny **Destiny Unleashed** Sherryl Woods, 2009-05-01 *Destiny Unleashed* by Sherryl Woods released on May 1 2009 is available now for purchase
