Investment Governance for Fiduciaries Michael E. Drew, Adam N. Walk, 2019-04-22 Governance is a word that is increasingly heard and read in modern times be it corporate governance global governance or investment governance Investment governance the central concern of this modest volume refers to the effective employment of resources people policies processes and systems by an individual or governing body the fiduciary or agent seeking to fulfil their fiduciary duty to a principal or beneficiary in addressing an underlying investment challenge Effective investment governance is an enabler of good stewardship and for this reason it should in our view be of interest to all fiduciaries no matter the size of the pool of assets or the nature of the beneficiaries To emphasize the importance of effective investment governance and to demonstrate its flexibility across organization type we consider our investment governance process within three contexts defined contribution DC plans defined benefit DB plans and endowments and foundations E Fs Since the financial crisis of 2007 2008 the financial sector's place in the economy and its methods and ethics have rightly in many cases been under scrutiny Coupled with this theme the task of investment governance is of increasing importance due to the sheer weight of money the retirement savings gap demographic trends regulation and activism and rising standards of behavior based on higher expectations from those fiduciaries serve These trends are at the same time related and self reinforcing Having explored the why of investment governance we dedicate the remainder of the book to the question of how to bring it to bear as an essential component of good fiduciary practice At this point the reader might expect investment professionals to launch into a discussion about an investment process focused on the best way to capture returns We resist this temptation Instead we contend that achieving outcomes on behalf of beneficiaries is as much about managing risks as it is about capturing returns and we mean risks broadly construed not just fluctuations in asset values The Rotarian, 2006-04 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine Investing 101 Michele Cagan, 2016 Contains material adapted from The everything investing book 3rd edition Title page verso **Kiplinger's Personal Finance**, 2006-08 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Kiplinger's Personal Finance**, 2002-11 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics Kiplinger's Personal Finance, 2003-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
