What? Norm Grant,2010-04 Norm Grant s You Want Me To WHAT is all about taking the chances which change our lives Through the course of the book Grant both figurativelyand literallyjumps off of a cliff to move forward in his life while encouraging us to do the same Mingling personal stories with quotations from famous authors and the Bible itself Grant brings to light the choices we all face on a daily basis Whether the choices are big or small he helps to point out that God is

at work in each and every one of them At the same time he helps us to realize that it is our big choices and chances which reveal God's will for our lives With a well researched blend of stories from pop culture as well as ancient scripture Grant leads us down an easy to read path asking us to listen to the still small voice God's gentle whisper which can lead us to hidden blessings He reminds us that God is not only in the miracles which appear on the news but also in the small miracles we experience every day

A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture

Every Believer a Disciple! David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples

The Gifted Church W. Clay Jackson MD DipTh, 2025-02-13 What if we're missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in

the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts One Step to Happiness Ken W. Davies, 2015-01-02 Fame and fortune may be satisfying to some people but the blessing of joy that God gives to a humble soul falls in an entirely different class Jesus radiated joy while serving the people of his day and showed no pride in his powerful gifts of healing and preaching Pride has such a destructive effect that we need to be alert to its dangers It can spoil relationships and split churches Humility has a profound healing effect but remains unadvertised due to its own quiet nature This book focuses on the understanding and practical issues of these opposing subjects How do you recognise pride What does humility look like Here you will find answers from scripture and human experience The author reveals the devastating consequences of pride and the tremendous blessings of humility There is plenty of fuel to encourage character development *Are Christians the Hitlers of Today?* Joanna, 2009-04 Ever gone to church thinking you were in a safe place only to find out that the pastor was having an affair with the choir director's wife Remember when all those priests molested those young boys some who were altar boys in the church Do you know that Hitler professed to be a Christian Ever been conned into giving money to the church only to be left penniless and alone Go with Joanna on her own spiritual journey battling the dictators in her life and finding some of the keys to emotional healing See how total surrender to a just and loving God can expose the errors in your thinking and bring you to an understanding of truth What is truth Pontius Pilate asked Jesus this question Would you like to know the answer Joanna was born in Connecticut Married in 1977 she moved to Rhode Island In 1979 she began attending Al anon meetings which changed the course of her life The next seven years took her on an incredible journey of spiritual mental and emotional healing Divorced with three small sons she headed to Tulsa OK in 1986 to attend Oral Roberts University Although people in Tulsa had many valid spiritual experiences they were very often emotionally bankrupt AA and Al anon were not promoted Joanna's years in recovery in Rhode Island prepared her for the frustration she found in Tulsa attempting to walk out her calling She was ordained through Ministers for Christ Assembly of Churches and spent eight years ministering with the homeless She has recorded two albums *The Dance* and *Heed My Call*

She lives in Sand Springs Oklahoma with her new husband and teen age son Graduated from college her other boys are grown and married and live in Fort Worth Texas Visit Joanna at www.myspace.com/joannaministries **Seeds of Maturity** Andrew Arroyo,2003-04 **The Transformative Power of Promises** Dieunet Demosthene (Mr. D.),2025-08-01 Promises shape our lives in profound ways They are used in binding relationships fueling aspirations and defining our character This book delves into the power of promises revealing how the commitments we make to ourselves and others can lead to personal growth deeper connections and a greater sense of purpose Through personal and insightful stories practical wisdom and thought provoking reflections The Transformative Power of Promises explores how honoring our word strengthens trust builds resilience and empowers us to create lasting change Whether you seek to mend broken commitments stay true to your goals or inspire those around you this book offers the guidance needed to harness the power of promises in everyday life By reading this you ll gain a fresh perspective on the significance of integrity accountability and the ripple effects of even the smallest commitments This isn t just a book it s an invitation to transform your life one promise at a time **Luke's Christology of Divine Identity** Nina Henrichs-Tarassenkova,2015-11-19 Henrichs Tarassenkova argues against a long tradition of scholars about how best to represent Luke s Christology When read against the backdrop of ancient ways of constructing personal identity key texts in the Lukan narrative demonstrate that Luke indirectly characterizes Jesus as the one God of Israel together with YHWH Henrichs Tarassenkova employs a narrative approach that takes into consideration recent studies of narrative and history and enables her to construct characters of YHWH and Jesus within the Lukan narrative She employs Richard Bauckham s concept of divine identity that she evaluates against her study of how one might speak of personal identity in the Greco Roman world She engages in close reading of key texts to demonstrate how Luke speaks of YHWH as God in order to demonstrate that Luke Acts upholds a traditional Jewish view that only the God of Israel is the one living God and to eliminate false expectations for how Luke should speak of Jesus as God This analysis establishes how Luke binds Jesus identity to the divine identity of YHWH and concludes that the Lukan narrative in fact does portray Jesus as God when it shows that Jesus shares YHWH s divine identity **God's Power for Protection** Melanie Hemry,Gina Lynnes,2013-09-02 Melanie Hemry and Gina Lynnes share many true life and personal experiences of people who were miraculously protected such as when A kidnapped woman was locked in a trunk at gunpoint The Pentagon was attacked on 9 11 A six year old was run over by car and later bitten by a venomous snake A teenager s car was totaled in a collision A Christian orphanage was attacked by rebels Read how the power of God protected them and many others from life threatening situations You too can conquer fear and insecurity as well as experience His divine protection for yourself and your loved ones **Crowned in Promise** Kimberly Willingham Hubbard,2020-04-21 Parenting can often be a stressful endeavor as we seek to manage the responsibility while loving and nurturing our children Much of the stress we feel is due to doubt Are we doing this right Will our kids grow up to be good people Are we giving them what they need to succeed in life

Along the way it can be easy to forget who uniquely designed our children God the Father It is by His grace these treasures came to us and it s only by His grace we will see them grow to maturity and wholeness Children are precious gifts from the LORD He has given and entrusted parents with such beautiful treasures here on earth to nurture protect and teach In this prayer book you will discover a hundred promises to pray over the lives of your little ones Claim these promises over your children before bedtime as they sleep or go off to school each day It is so very important to ensure our children are covered and crowned in prayer May this book of prayers serve as a guide and resource for you as you lift your little mighty warrior up to the LORD
