Latina Evangélicas Loida Martell-Otero, Zaida Maldonado Pérez, Elizabeth Conde-Frazier, 2013-01-15 Latina Evangelicas A Theological Survey from the Margins is a constructive and postcolonial examination of the theology of Protestant Latinas who reside in the United States Written by three Latinas who have pastored and who teach in Latina o communities the book seeks to expand beyond Latina feminist and mujerista voices to include those whose perspectives have not yet been heard It thus introduces an important theological perspective to a wider audience and provides an important resource that has been lacking for evangelicas os and other marginalized groups who study in various theological programs Key terminology such as evangelica is defined throughout and a glossary is included for non Spanish speaking readers Each chapter considers theological themes important to the Latina Protestant worshiping community beginning with a constructive discussion of the doctrine of the Holy Spirit and followed by the doctrines of salvation and Jesus Christ the Trinity the church Scripture and the last things eschatology Given that one of the characteristics of Latina o theologies is their dialogical and collaborative nature the book concludes with a conversation among the three authors about the theological thinking that took place in its composition Study questions are included at the end of each chapter

The View from the Mountaintop Dr. T. Leon Williams, 2017-06-12 For nearly two decades Dr T Leon Williams has been visiting college campuses sharing his unique perspective of the historical relevance of the nations progress through monologues of the beloved Rev Dr Martin Luther King Jr In The View from the Mountaintop Williams charts the course for the advancement of human relations from chance to change Drawing from his

personal and professional experiences Williams attempts to make meaning of the lived experiences from childhood to adulthood that has shaped his attitude and perspective of America Through scholarly personal narratives and for the first time in Williams travels he shares his essays with the public Williams strategically addresses one question what would Dr King have to say today In his most provocative work Williams shares his perspective of rethinking nonviolence for the twenty first century *Solidarity Ethics* Rebecca Todd Peters,2014 Introduction The problem of globalization Theories of solidarity Foundations for transformation A theo ethics of solidarity Moving toward solidarity Embodying solidarity living into justice Conclusion hope for tomorrow *A Leftist Critique of the Principles of Identity, Diversity, and Multiculturalism* Richard Anderson-Connolly,2019-06-18 Identity politics is a lightning rod in American society To both its progressive supporters and conservative critics it is seen as defining the agenda of the Left Both sides are wrong Identity politics is not a leftist project Instead it enables the neoliberal political economy that has caused historic levels of inequality and triggered repression and mass incarceration to deal with the social wreckage Identity politics is a form of biological essentialism impeding morality built upon universal humanism and politics built upon solidarity Unlike the conservative assaults this book avoids the trivial and silly pronouncements of identity politics a term generally avoided in the work as loaded and pejorative It challenges the following key principles of the Identity Diversity and Multiculturalism Program Diversity as Justice the most important struggle for justice today is increasing the representation throughout society of individuals from historically marginalized groups by ending discrimination on the grounds of race gender sexual orientation and similar characteristics Colorblindness as Racism race neutral solutions to the problems caused by racism are harmful to blacks Race as Culture members of different races specifically blacks and whites in the United States belong to different cultures Culture as Virtue cultures should be respected and celebrated This book forcefully argues that none of these tenets is or rather should be a leftist commitment For progressives who accept the principles it poses a challenge How do you defend them from a leftist critique one that does not deny the continuing significance of discrimination rather than from the weaker attacks of conservatives For those on the Right this work represents a threat Once leftists return to their core commitments they will form a powerful movement for political and economic change *Christian Doctrines for Global Gender Justice* Grace Ji-Sun Kim,Jenny Daggers,2015-06-04 This book develops creative imagining of traditional doctrines Chapters show the effectiveness of Latina mujerista evang lica womanist Asian American and white feminist imaginings in the furthering of global gender justice *Black Lives Have Always Mattered, A Collection of Essays, Poems, and Personal Narratives* Abiodun Oyewole,2017-07-08 BLACK LIVES HAVE ALWAYS MATTERED A COLLECTION OF ESSAYS POEMS AND PERSONAL NARRATIVES edited by Abiodun Oyewole extends beyond the Black Lives Matter movement s primary agenda of police brutality to acknowledge that even when affronted with slavery segregation and Jim Crow racial injustice and inequality black lives have always mattered While written primarily by African American poets writers activists and scholars selections are also from people of the Latino

and African diasporas and white activists Collectively these 79 contributors provide a call to action that challenges readers to confront long held values and beliefs about black lives as well as white privilege and fragility as it surveys the historical and contemporary ravages of racism and its persistence of structural inequality More importantly BLACK LIVES HAVE ALWAYS MATTERED provides a first hand perspective to a problem known to the African American community long before the Black Lives Matter movement revealed it to the general public that black lives have always mattered Connecting the past to the present the contributors of BLACK LIVES HAVE ALWAYS MATTERED provide an eye opening and engaging collection that has the potential to reignite a broader push for black liberation and equality for all

Teaching Difficult Topics Olivia R. Lucas, Laura Moore Pruett, 2024-10-14 Teaching Difficult Topics provides a series of on the ground reflections from college music instructors working in a wide variety of institutional settings about their approaches to inclusive supportive pedagogy in the music classroom Although some imagine the music classroom to be an apolitical space instructors find themselves increasingly in need of resources for incorporating issues of race and ethnicity gender and sexuality and historical trauma into their classrooms in ways that support student learning and safeguard their classroom communities The teaching reflections in Teaching Difficult Topics examine difficult themes that fall into three primary categories subjects that instructors sense to be controversial or emotionally challenging to discuss those that derive from or intersect with real world events that are difficult to process and bigger picture discussions of how music studies often focuses on dominant narratives while overlooking other perspectives Some chapters offer practical guidance lesson plans and teaching materials to enable instructors to build discussions of race gender sexuality and traumatic histories into their own classrooms others take a more global view reflecting on the importance and relevance of teaching these difficult topics and on how to respond in the music classroom when external events disrupt daily life

The Case against Afrocentrism Tunde Adeleke, 2011-01-05 Postcolonial discourses on African Diaspora history and relations have traditionally focused intensely on highlighting the common experiences and links between black Africans and African Americans This is especially true of Afrocentric scholars and supporters who use Africa to construct and validate a monolithic racial and culturally essentialist worldview Publications by Afrocentric scholars such as Molefi Asante Marimba Ani Maulana Karenga and the late John Henrik Clarke have emphasized the centrality of Africa to the construction of Afrocentric essentialism In the last fifteen years however countervailing critical scholarship has challenged essentialist interpretations of Diaspora history Critics such as Stephen Howe Yaacov Shavit and Clarence Walker have questioned and refuted the intellectual and cultural underpinnings of Afrocentric essentialist ideology Tunde Adeleke deconstructs Afrocentric essentialism by illuminating and interrogating the problematic situation of Africa as the foundation of a racialized worldwide African Diaspora He attempts to fill an intellectual gap by analyzing the contradictions in Afrocentric representations of the continent These include multiple conflicting and ambivalent portraits of Africa the use of the continent as a global unifying identity for all blacks the de emphasizing and nullification of New World

acculturation and the ahistoristic construction of a monolithic African Diaspora worldwide *Trauma-Informed Pedagogy and the Post-Secondary Music Class* Kimber Andrews, Kristy Swift, 2025-03-28 *Trauma Informed Pedagogy and the Post Secondary Music Class* explores the theory and practice of teaching and learning in a traumatized world and aims to support instructors in guiding students and walking with them through challenges that impact learning With analysis contextualized within definitions of trauma critical theoretical trauma studies and clinical understandings of the causes and effects of trauma on the brain and nervous system the book offers ways to empower faculty and students to build classrooms where it is safe enough to address the stress and trauma of learning Bringing together a unique multidisciplinary group of contributors this book includes perspectives from both music faculty and mental health counseling specialists The volume engages music scholars and educators in higher education with scholarship on trauma informed pedagogy provides examples of how to introduce trauma informed practices into music courses explores how trauma informed practices can increase both faculty and student well being and offers practical materials such as syllabi and assignments that instructors can implement in their classes Reaching across disciplinary boundaries to contribute to an emerging body of research teaching and learning this is a vital collection for educators across music higher education *Beyond Maintenance to Mission* Craig L. Nesson, 2010-02-24 Here in a newly revised edition is a powerful and pertinent guide for congregations wanting to move away from maintenance thinking to powerful creative engagement with the world Visionary yet practical Nesson s influential book makes a persuasive case for the centrality of mission in the life of the church Nesson s model of mission driven leadership is strongly centered on the community of faith s worship and draws unique connections between the worship life of a congregation and every aspect of the church s ministry Around the twin foci of congregational identity and mission the chapters in this dynamic book provide solid theological and radical direction on the themes of worship education fellowship stewardship evangelism global connections and social ministry Equally pertinent to seminary classroom and parish life the new edition highlights worship s centrality adds a new chapter on prayer and spiritual practices in this framework significantly revises the treatments of fellowship and evangelism and adds a full set of materials designed for congregational visioning and planning *The Forgotten People* Rev. Tyronne Edwards, 2017-07-06 *The Forgotten People Restoring a Missing Segment of Plaquemines Parish History* chronicles the little known but inspiring achievement of African Americans in dismantling institutional racism in Plaquemines Parish Louisiana located at the end of the United States Rev Tyronne Edwards a lifelong resident and spiritual leader of the parish introduces the reader to people cultivating a spirituality that lifted them from the dehumanization of slavery on more than a dozen plantations He recounts the state laws enacted by African Americans during the Reconstruction Era that would be considered progressive in this modern day We meet the community leaders who outwitted and outlasted Judge Leander Perez a fierce segregationist who reigned over Plaquemines and state politics We learn the battles waged by African Americans to knock down doors in schools businesses and

government that were once closed to them With photographs interviews and a penetrating analysis of racism Rev Edwards breathes life into the important historical record of African American in Plaquemines Parish who should never be forgotten

, *Open* Brad R. Braxton,2023-04-04 In *Open* Brad Braxton boldly articulates an open theology progressive approaches that promote unorthodox theological reflection and the creation of inclusive communities Despite attempts by many right wing politicians and conservative Christians to curtail diverse religious and cultural expressions an open embrace of pluralism enhances Christianity's capacity to foster healing hope and restorative justice Thus Christian communities should be audaciously open about being open Attempts to box in God diminish us spiritually and render us prone to small mindedness and mean spiritedness Certain Christians function as if God cannot withstand robust engagement with the complexities of a diverse world God does not need to be protected by religious fence building and cultural gatekeeping To honor an open God who delights in diversity we should create open communities committed to radically inclusive love This book engages serious even controversial topics including Jesus's identity reparations for slavery LGBTQ equality the Black Lives Matter movement warfare and non violence environmental justice and interreligious collaboration Insisting that there is room for all an open theology empowers us to create broad spaces where people from diverse backgrounds with divergent beliefs can peacefully probe their differences and celebrate their similarities for the sake of a better world If you are tired of closed minded religion that sows division and hatred open this book If you are searching for compassionate spirituality that promotes inclusion and justice open this book Here you will find an open theology creative thinking about God and courageous practices for building diverse communities through radically inclusive love

Multicultural Literature in the Content Areas Lakia M. Scott,Barbara Purdum-Cassidy,2020-03-18 Today's public schools represent a demographic of students that are more diverse than ever before In turn culturally responsive and affirming teaching practices should mirror the academic social and cultural needs of an ever increasing population of diverse students Through multicultural education students can discover the ways they are shaped by their own culture as well as learn more about others Multicultural education practices provide mutually beneficial dialogue between cultures and the pedagogical practices increase learning outcomes for not just the ethnically and racially diverse but all students who are participatory in the content This book provides educational stakeholders with culturally relevant and affirming techniques for utilizing multicultural literature as a pedagogical tool in social studies mathematics science and reading Each chapter provides a brief summary about the selected multicultural text and also contains an instructional strategy to be used Following this an inquiry based lesson is provided with supplementary materials and resources that allow for K 12 differentiation

Preaching and Paul's Letter to the Romans Ronald J. Allen,2025-07-10 Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to

witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community Unlearning White Supremacy Mikulich, Alex ,2022-06-15 Weaves together historical theological ethical and sociological analyses to understand the origins and evolution of anti black white supremacy and how to overcome it **Getting Real About Race** Stephanie M. McClure,Cherise A. Harris,2021-11-15 Getting Real About Race is an edited collection of short essays that address the most common stereotypes and misconceptions about race held by students and by many in the United States in general Key Features Each essay concludes with suggested sources including videos websites books and or articles that instructors can choose to assign as additional readings on a topic Essays also end with questions for discussion that allow students to move from the what knowledge to the so what implications of race in their own lives In this spirit the authors include suggested Reaching Across the Color Line activities at the end of each essay allowing students to apply their new knowledge on the topic in a unique or creative way Current topics students want to discuss are brought up through the text making it easier for the instructor to deal with these topics in an open classroom environment
