Waiting To Die Longing To Love:

Waiting to Die Longing to Love Russell K. Lanier, 2015-11-30 I got out of jail in north Alabama It s my fifth Driving Under the Influence charge My jail time is too short just two days The fine is too low just 750 The judge is lenient and my lawyer is skilled He works out a plea deal so a conviction will never appear on my driving record This misadventure is merely the latest experience in a life not worth living I am only one of 23 million people in the United States burdened with the deadly disease of addiction That s roughly thirteen percent of the population I won t live long if I keep using and I m not sure I want to live even if I stop I ve seen others kick their habits but at age forty nine I am overweight and unemployed a hopeless case I am waiting to die but longing to live and love The story you are about to read tells how I finally got clean and sober from both drugs and alcohol As you read each chapter you will discover several things that may help you understand the mind of a drug addict It s about healing and how I came to understand that the thing I needed to be saved from most is me So come along with me now as I hold your hand and take you with me on my road to recovery You will see addiction s true personality as I turn the spotlight on this monster Hold on tight because it s going to be one hell of a roller coaster ride

The River's Destiny Barney McMillan, 2009-12 *Waiting on the Beloved* Joyce Ann Zimmerman, 2024-01-18 In *Waiting on the Beloved* The Eucharist as Self Giving Love celebrated author and teacher Joyce Ann Zimmerman cpps animates readers to contemplate God s unfailing and abiding love from the preface Through thought provoking reflections readers are drawn into quiet communion with the Beloved where we become aware that our waiting is a matter of waiting on ourselves to become ever more deeply aware responsive self emptying self giving seeking yearning and expecting preface The first three chapters survey God s unfathomable love for us and the last three chapters shift to us and what we do with this gift of divine love While words are inadequate to express God s love for us and our love for God the Eucharist is at the heart of Divine love and is the ultimate expression of God s self giving love This book is for anyone seeking to seriously encounter the Beloved in prayer and reflection and anyone who desires to come to a deeper union with Christ in the Eucharist *Elsewhere, Within Here* Trinh T. Minh-ha, 2010-10-18 *Elsewhere Within Here* is an engaging look at travel across national borders as a foreigner a tourist an immigrant a refugee in a pre and post 9 11 world Who is welcome where What does it mean to feel out of place in the country you call home When does the stranger appear in these times of dark metamorphoses These are some of the issues addressed by the author as she examines the cultural meaning and complexities of travel immigration home and exile The boundary seen both as a material and immaterial event is where endings pass into beginnings Building upon themes present in her *The Journey of Desire* John Eldredge, 2000 Presents three classics by author John Eldredge that challenges and encourages readers to rediscover the lives God intended for them to have *When Food Is Love* Geneen Roth, 1992-07-01 1 New York Times bestselling author of *Women Food and God* A life changing book Oprah In this moving and intimate book Geneen Roth bestselling author of *Feeding the Hungry Heart* and *Breaking Free from Compulsive Eating*

shows how dieting and emotional eating often become a substitute for intimacy Drawing on her own painful personal experiences as well as the candid stories of those she has helped in her seminars Roth examines the crucial issues that surround emotional eating need for control dependency on melodrama desire for what is forbidden and the belief that one wrong move can mean catastrophe She shows why many people overeat in an attempt to satisfy their emotional hunger and why weight loss frequently just uncovers a new set of problems But her welcome message is that change is possible This book will help readers break destructive self perpetuating patterns and learn to satisfy all the hungers physical and emotional that make us human

Patiently In Wait Donnamay Stewart,2006-09 In her new poetry book *Patiently in Wait* Donnamay Stewart demonstrates through her loving and caring words that patience is the only key to open doorways of success in one s life Stewart believes that no major event ever takes place in life before its appropriate time and place and that readers will find true harmony and happiness in life while enjoying her words The author strongly feels that each individual at some time in life experiences a place Stewart would describe as a valley an extremely lonely still place where no one truly wants to be Stewart encourages readers that during this time one s character strength and maturity are being developed These traits are the necessary tools needed to continue on the journey in the pursuit of success and inner peace *Patiently in Wait* shares quiet moments laughter encouraging thoughts and many feelings of love

Contemporary Nordic Literature and Spatiality Kristina Malmio,Kaisa Kurikka,2019-10-14 This open access collection offers a detailed mapping of recent Nordic literature and its different genres fiction poetry and children s literature through the perspective of spatiality Concentrating on contemporary Nordic literature the book presents a distinctive view on the spatial turn and widens the understanding of Nordic literature outside of canonized authors Examining literatures by Danish Norwegian Swedish and Finnish authors the chapters investigate a recurrent theme of social criticism and analyze this criticism against the welfare state and power hierarchies in spatial terms The chapters explore various narrative worlds and spaces from the urban to parks and forests from textual spaces to spatial thematics studying these spatial features in relation to the problems of late modernity

Where Have the Old Words Got Me? Ralph Maud,2003-04-01 Although Dylan Thomas is the one of the most well known poets of the twentieth century much of his poetry is considered obscure and difficult and readers and critics tend to concentrate on those poems that can be most easily understood Not since the early sixties has there been an attempt to explicate the full corpus of Dylan Thomas s *Collected Poems* In *Where Have the Old Words Got Me* Ralph Maud tackles Thomas s entire work giving special attention to more difficult and obscure poems He makes valuable use of Thomas s letters as edited by Paul Ferris in his authoritative *Collected Letters* volume bringing the whole man and his work into view

Maternal Desire Teresa L. Picarazzi,2002 She argues that Ginzburg adopted a distinct aesthetic by allowing her family stories to be narrated through a female narrating I This volume focuses on the broad theme of the maternal by tracing the development of the voices of Ginzburg s narrating daughters mothers and sisters Their texts read as auto biographies that is

they are narratives about both the self and the other **BOOK JACKET** *Moved by Love* Mary D. Sheriff, 2008-10-30 In eighteenth century France the ability to lose oneself in a character or scene marked both great artists and ideal spectators Yet it was thought this same passionate enthusiasm if taken to unreasonable extremes could also lead to sexual deviance mental illness even death Women and artists were seen as especially susceptible to these negative consequences of creative enthusiasm and women artists doubly so Mary D Sheriff uses these very different visions of enthusiasm to explore the complex interrelationships among creativity sexuality the body and the mind in eighteenth century France Drawing on evidence from the visual arts literature philosophy and medicine she portrays the deviance ascribed to both inspired men and women But while various mythologies worked to normalize deviance in male artists women had no justification for their deviance For instance the mythical sculptor Pygmalion was cured of an abnormal love for his statue through the making of art He became a model for creative artists living happily with his statue come to life No happy endings though were imagined for such inspired women writers as Sappho and Heloise who burned with erotomania their art could not quench Even so Sheriff demonstrates the perceived connections among sexuality creativity and disease also opened artistic opportunities for creative women took full advantage of them Brilliantly reassessing the links between sexuality and creativity artistic genius and madness passion and reason *Moved by Love* will profoundly reshape our view of eighteenth century French culture

Between Sivan & Parvathi A love in 21st century Haritha, 2025-10-24 In a world where love often fades in the rush of modern life *Between Sivan Parvathi A Love in the 21st Century* brings back the timeless essence of devotion destiny and soul connection This is not just a love story it s a journey of two souls bound by faith torn by fate and reunited by something far greater than time itself Through moments of pain distance and longing Sivan and Parvathi rediscover what true love means in an age where emotions are fleeting and hearts grow impatient Blending spirituality emotion and the beauty of human connection this story speaks to every heart that has ever waited hoped or believed in love that transcends lifetimes Whether you ve loved and lost or you re still waiting for your other half this book will touch the deepest parts of your heart and remind you that true love never really ends it transforms

Transpacific Cartographies Melody Yunzi Li, 2023-12-15 *Transpacific Cartographies* examines how contemporary Chinese diasporic narratives address the existential loss of home for immigrant communities at a time of global precarity and amid rising Sino US tensions Melody Li argues that the characters in these stories create multilayered maps that transcend the territorial boundaries that make finding a home in foreign land a seemingly impossible task
