Waiting is the Night Shannon Brink,2023-05-09 We all go through seasons of waiting times when God just seems to have closed His ears to us and turned His back During those seasons it s easy for us to give up hope and lose heart But what if we hold on to the hope that God is working behind the scenes even if we can t see Him What can we learn from those times of waiting Shannon Brink has experienced those seasons herself after various injuries forced her to stay in bed for weeks on end while she was facing possible infertility but longed to be a mother as door after door closed on her dreams of living in a far away land and now as she waits for sleep to come while battling chronic insomnia As a former nighttime nurse Shannon knows that the hardest time of the waiting season is at night when our thoughts take over and worry invades Drawing from her own experiences and from the examples of God s people in the Bible who also experienced seasons of waiting Shannon encourages the reader to hold on to the One Who created us and has only our good in mind While waiting in the dark cling to the Light

Waiting on God Wayne Stiles,2015-08-18 We have all experienced a

disconnect between God's promises to us and our everyday reality. We wait without understanding why. We want to know God's plan so that we can trust it, but God so often hides his plan so that we will trust him. What can we do in the meantime as we are waiting for an answer, a change, or a miracle? With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us. Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world, will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses. **When God Seems Silent** W. This book will shake your perspective and ignite your faith. Learn how Job endured the darkest storm of his life. Discover the purpose behind God's silence. Find strength when your prayers seem unanswered. Uncover divine wisdom through suffering and restoration. GOD'S SILENCE IS NOT HIS ABSENCE His silence is a setup for a greater revelation. *While I'm Waiting* Laura Hodges Poole, 2015-03-10

While I'm Waiting is adapted from some of the author's blog devotions, appearing for the first time as a collection. This 31-day devotional will inspire readers to wait on God patiently and reverently, to answer their prayers according to His perfect timing. The author shares her struggles and shortcomings in a relatable way that encourages and conveys hope even in the most difficult circumstances. It is possible to walk through the valley and not despair while praising God and choosing contentment. As missionary Jim Elliot once said, "God always gives His best to those who leave the choice with Him." *When God Waits* Jerome Daley, 2005-04-19

Is God keeping you waiting? Does it feel like God has pushed the pause button on your life? If you're frustrated by God's apparent slowness, don't assume that having to wait is a waste of time. God does some of His most important work in your life during these divine delays. Many of the men and women of faith that we read about in the Bible had to endure long, difficult seasons of waiting before they could fulfill God's destiny for their lives. And just like these biblical heroes, you can learn how to see what God is doing and how He is changing your life while you're waiting. Don't miss out on the richness of this God-ordained lag between catching a vision for your calling and seeing God fulfill it. No matter how long you have to wait, you can be transformed as God prepares you to fulfill your divine calling.
