

The background is a deep purple gradient. A bright, circular light source at the top center emits a beam of light that tapers downwards. Two celestial bodies, resembling planets or moons with crater-like details, are visible. One is in the upper right, partially behind the title. The other is in the lower left, partially cut off by the frame. A third, smaller celestial body is in the center, containing a faint silhouette of a person walking.

Walking Between Worlds Belonging To None:

Walking Between Worlds Belonging to None Ann Andrews, 2009-03-25 **Walking Between Worlds** Ann Andrews, 2007-06-01 Walking Between Worlds Belonging to None raises the bar when it comes to alien abduction books Like many Walking offers a fascinating account of strange and unusual events yet it also takes us into new realms of possibilities where humanity takes its places as Cosmic Citizens realizing our divine destiny where the Earth becomes a station of light a point of great radiance and vitality beaming out into the Universe Alien abduction typically runs in families and Ann Andrews came from a long line of abductees Although it wasn't until her son's experiences accelerated that she began having dreams and was given back long hidden memories which enabled her to accept and cope with what was going on with her youngest son Jason *The Secrets She Carried* Barbara Davis, 2013-10-01 When a young woman returns to North Carolina after a thirty year absence she finds that the once grand tobacco plantation she called home holds more secrets than she ever imagined Though Peak Plantation has been in her family for generations Leslie Nichols can't wait to rid herself of the farm left to her by her estranged grandmother Maggie and with it the disturbing memories of her mother's death her father's disgrace and her unhappy childhood But Leslie isn't the only one with a claim to Peak Jay Davenport Peak's reclusive caretaker has his own reasons for holding onto the land bequeathed to him by Leslie's grandmother Before she died Maggie hinted at a terrible secret surrounding Adele Laveau a lady's maid who came to Peak during the 1930s and died under mysterious circumstances Jay is haunted by Maggie's story yet the truth eludes him until Leslie uncovers a cryptically marked grave on the property As they delve into the mystery of Adele's death Leslie and Jay discover shocking secrets that extend deep into the roots of Leslie's family tree secrets that have the power to alter her life forever **Conclusions of a Parapsychologist** Michael Lewis, 2013-07-04 Aimed at the popular market this book will appeal to readers who do not want to be burdened by detail It presents the authors conclusions based on facts and invites them to ponder the disturbing implications Its succinct and readable style will appeal to those with busy lifestyles An astonishing account of what it is like to die and experience a day in the Afterlife during which the author was told how things really are The author ventures into areas where few dare to tread At last sober facts not speculation about the paranormal from an objective unbiased researcher who tries to take a scientific viewpoint Michael Lewis writing rings with truth and authenticity It is a carefully selected and finely expressed group of closely related well defined and chosen concepts no doubt from a personal experience that is even wider than that which we here are privileged to share The material is presented in a narrative context and will engage and often astonish the reader Michael demonstrates that we are but at the very edge of knowledge and that all we can see is a small corner of the whole A book like this gives us the chance to lift the veil a little and glimpse the vast uplands beyond He has the ability to set down the material clearly and with an attractive writing style the prose is as clear as a window pane Mark Sykes former Editor in Chief Athena Press **The Temple of Shamanic Witchcraft** Christopher
