Confidence Is an Inside Job Ashley Henriott, 2024-10-15 Discover a deep one of a kind confidence that's rooted in your relationship with Jesus through inspirational stories insights and strategies from podcaster and confidence coach Ashley Henriott Conquer self doubt and embrace God's view of YOU Rebecca George author of *Do the Thing* and host of the podcast *Radical Radiance* Has a voice in your head ever told you that you're not enough

Maybe it's said the opposite that you're too much. Or perhaps you've heard both messages at different times in your life. Either way, in those moments you probably felt like something was wrong with you. And why wouldn't you? Media and cultural messages constantly tell women that we must be different than we are to be considered valuable or even acceptable more of this and less of that. But here's great news: All of that is a lie, and you are not alone in your struggles. Confidence coach Ashley Henriott knows what it's like to be identified by the opinions of others and to live a life dictated by what they thought of her. However, her determination to break free from those shackles led her to a profound realization: True confidence is an inside job that begins with a woman embracing her own uniqueness and worthiness. Through inspirational stories and her trademark humor, Ashley Henriott teaches about three confidence killers: fear, inaction, and comparison that keep women from stepping into their true potential. Better still, she presents simple and practical strategies you can use to defeat these negative forces, embrace the beauty of who you are today, and live the fulfilling and confident life you desire. **Live Without Fear**
