Howe, Susan E. Cook, 2019-09-06 Representing Kink raises awareness about non normative texts and non normative erotic practices and desires It defines kink broadly encompassing a range of inappropriate texts and understanding it in frequent reference to non normative erotic fantasies and experiences Kink is treated as both a set of practices as well as a category of texts at the nexus of subject and form In addition to canonical texts that take up erotic and marginalized themes the collection also studies forms that are themselves fringe and feature kink taboo literature self published erotica SM narratives fan fiction role playing games and other disavowed texts The purpose of this study is to focus attention on the margins of an

already marginalized subject in order to highlight the extent to which non normative textuality and eroticism both shape and are shaped by culture and context It sheds light on a category of subjects that is at once mainstream in the form of texts such as Fifty Shades of Grey and yet nevertheless repeatedly disparaged and undertheorized This book advocates for conversations about kinky texts that transcend dichotomous frameworks of good and bad and normal and deviant thinking instead in new theoretically rigorous and flexible directions *The King* Skye Warren,2017-06-27 The highest stakes My father gambles every night falling deeper and deeper into debt When he hits the bottom he places a new bet his daughter I m his entry bet to the biggest underground poker game Every kind of danger circles the velvet covered table but only one man makes me tremble A trailer park princess The son of a criminal king We don t belong together but I m caught in a twisted game His eyes meet mine with dark promise And when he puts down his cards I know I m going to lose more than my body I m going to lose everything THE KING is the first book in the new Masterpiece duet about risking your heart and finding yourself It s a spin off from the USA Today bestselling trilogy but can be read separately *The Pawn and The Knight* Skye Warren,2019-03-21 A ruthless billionaire determined to get revenge A woman with more to lose than her virginity And a sensual game that will break them both Gabriel Miller has thirty days to do anything he wants with her body He can enjoy every inch of her but he can never let himself fall for her No matter how sweetly she surrenders Author s Note THE PAWN AND THE KNIGHT contains two USA Today bestsellers in the scorching hot Endgame series for a limited time low price
