**Die Nieuwe Testament van ons Heere en Hieland Jesus Christus** ,1802 *Tydskrif vir letterkunde* ,1980 **Geesgedrewe Heersers** Gerhardt Smook, 2010-11-19 After the dragon Satan and his angels lost the great battle in heaven against Michael and his angels they were subsequently cast down to the earth The one that thought in his pride that he was qualified to replace the Creator of the Universe as ruler over its immeasurable expanse suddenly found his domain reduced to one small planet This however was not the end of his humiliation The Creator God had the audacity to fashion a small being after His own image from the very clay of Satan s kingdom and after blowing His breath His Spirit into it to cause it to live instructed it to rule over his Satan s kingdom Since that day Satan s all out purpose was to destroy mankind He thought that he had succeeded when he caused man to sin and thereby causing God s Spirit to leave man Thus he regained control over the earth However he underestimated the immeasurable depth of God s love for man that through the death of the Son on the cross redeemed man This act of love opened the way for man to regain the life that the first Adam and Eve lost through their fall Every person that truly accepts Jesus Christ as his or her saviour and is born again by the Spirit of God can also regain the breath or Spirit of God by being filled with the Holy Spirit However this is not the beginning and end all of man s spiritual journey Man s

creative purpose namely to rule over the earth has never changed God's calling is without repentance as the Bible says In fact the book proves from Scripture that it is not only still valid but that it is indeed eternal and thus challenges many people's theology It continues to explain the responsibilities of the believers as kings and priests of Jesus who is their High Priest The book reveals that God's children are indeed appointed by Jesus to continue the works that He performed while He walked the earth Not only are we His children appointed by Him like in any good employment we can also enjoy the awesome benefits of the Kingdom This must however be distinguished from the prosperity gospel It also reveals that Jesus has a specific purpose for every one of His followers in the greater scheme of things The greatest message of the book is however that mankind can only exercise its authority in total dependence and under the continual guidance of the Holy Spirit hence the title Spirit Driven Rulers Geesgedrewe Heersers It explains systematically applying examples from the author's and daily life our walk with the Holy Spirit The book endeavours to be an inspirational but also practical guide on how to be filled and to be led by the Spirit because those who are led by the Spirit of God are the sons of God Rom 8:14 NIV The book reveals that God's people have to exercise their creative purpose namely to rule over the earth in the midst of their enemies It goes on to show that through the ages the greatest enemies of the church had always been the adder in its bosom For this reason the author takes up arms against present trends against the person and redemptive work of Christ as well as the authority of the Bible In this regard it focuses more specifically on the current trends in theology in South Africa as perpetrated by a group of theologians who call themselves the Nuwe Hervormers New Reformers Oh yes then there is St Enamel His kind have been around since the time of Jesus who called them Whited sepulchres But we have become fancy now we do not use lime anymore Nevertheless in spite of the new veneer the inside is still full of dead bones the traditions of man that are still holding people in bondage Watch out for St Enamel
