

WAR AND THE AMERICAN DIFFERENCE

*Theological Reflections
on Violence and National Identity*

STANLEY HAUERWAS

War And The American Difference Theological Reflections On Violence And National Identity

Myles Werntz

War And The American Difference Theological Reflections On Violence And National Identity:

War and the American Difference Stanley Hauerwas, 2011-10-01 How are American identity and America's presence in the world shaped by war and what does God have to do with it Esteemed theologian Stanley Hauerwas helps readers reflect theologically on war church justice and nonviolence in this compelling volume exploring issues such as how America depends on war for its identity how war affects the soul of a nation the sacrifices that war entails and why war is considered necessary especially in America He also examines the views of nonviolence held by Martin Luther King Jr and C S Lewis how Jesus constitutes the justice of God and the relationship between congregational ministry and Christian formation in America

Theology and the Star Wars Universe Benjamin D. Espinoza, 2022-07-11 Scholars have been arguing for years that Star Wars is more than light sabers Wookies Millennium Falcons and troubling familial relationships Star Wars is an exciting space fantasy that we can explore from multiple academic perspectives such as philosophy and psychology This volume adds to that conversation by asking what would it look like if we analyzed the Star Wars universe theologically In Theology and the Star Wars Universe contributors from various theological traditions take on this task by exploring the nature of the Force the spiritual role of the Jedi nonviolent and liberationist readings of the Franchise and the enduring power of hope Written for the restless curious academic but accessible to diehard fans Theology and the Star Wars Universe is an exciting foray into the study of theology and popular culture

For the Life of the World Robert J. Dean, 2016-05-13 What is the church What is its mission in the world Modern Protestantism's inability to provide a clear answer to these seemingly simple questions has resulted in vast confusion amongst pastors about the nature of their calling and has left congregations languishing without a clear reason for existence Many of the voices and allegiances competing for the church's attention have rushed in to fill the void with the result that the church in modernity has frequently found itself captive to the prevailing culture Yet from within the belly of highly culturally accommodated churches both the German pastor theologian Dietrich Bonhoeffer and the American theological ethicist Stanley Hauerwas were able to articulate compelling visions of churches freed from their cultural captivity in order to truly and freely serve God and neighbor Against the complex and confusing backdrops of Nazi Germany and late twentieth and early twenty first century America respectively Bonhoeffer and Hauerwas sought to recover the ethical and political character of the Christian faith through recalling the church back to the christological center of its faith Together they provide a rich set of complementary and at times mutually correcting resources for the contemporary church as it seeks to faithfully bear witness to Christ amidst the ruins of Christendom

Ideology in U.S. Foreign Relations Christopher McKnight Nichols, David Milne, 2022-08-09 Winner 2023 Joseph Fletcher Prize for Best Edited Book in Historical International Relations History Section International Studies Association Ideology drives American foreign policy in ways seen and unseen Racialized notions of subjecthood and civilization underlay the political revolution of eighteenth century white colonizers neoconservatism neoliberalism and unilateralism propelled the post Cold War United States to

unleash catastrophe in the Middle East Ideologies order and explain the world project the illusion of controllable outcomes and often explain success and failure How does the history of U S foreign relations appear differently when viewed through the lens of ideology This book explores the ideological landscape of international relations from the colonial era to the present Contributors examine ideologies developed to justify or resist white settler colonialism and free trade imperialism and they discuss the role of nationalism in immigration policy The book reveals new insights on the role of ideas at the intersection of U S foreign and domestic policy and politics It shows how the ideals coded as civilization freedom and democracy legitimized U S military interventions and enabled foreign leaders to turn American power to their benefit The book traces the ideological struggle over competing visions of democracy and of American democracy s place in the world and in history It highlights sources beyond the realm of traditional diplomatic history including nonstate actors and historically marginalized voices Featuring the foremost specialists as well as rising stars this book offers a foundational statement on the intellectual history of U S foreign policy

Just War and Christian Traditions Eric Patterson, J. Daryl Charles, 2022-12-15 This much needed anthology contains historically informed insights and analysis about Christian just war thinking and its application to contemporary conflicts Recent Christian reflection on war has largely ignored questions of whether and how war can be just The contributors to *Just War and Christian Traditions* provide a clear overview of the history and parameters of just war thinking and a much needed and original evaluation of how Christian traditions and denominations may employ this thinking today The introduction examines the historical development of Christian just war thinking differences between just war thinking and the alternatives of pacifism and holy war distinctions among Christian thinkers on issues such as the role of the state and lesser evil politics and shared Christian theological commitments with public policy ramifications for example the priority of peace The chapters that follow outline from Catholic Orthodox Lutheran Reformed Anglican Methodist Baptist and Anabaptist denominational perspectives the positions of major church traditions on the ethics of warfare The contributors include philosophers military strategists political scientists and historians who seek to engage various and distinctive denominational approaches to the issues of church and state war peace diplomacy statecraft and security over two thousand years of Christian history *Just War and Christian Traditions* presents an essential resource for understanding the Judeo Christian roots and denominational frameworks undergirding the moral structure for statesmanship and policy referred to as just war thinking This practical guide will interest students pastors and lay people interested in issues of peace and security military history and military ethics Contributors John Ashcroft Eric Patterson J Daryl Charles Joseph E Capizzi Darrell Cole H David Baer Keith J Pavlischek Daniel Strand Nigel Biggar Mark Tooley and Timothy J Demy

Leaps of Faith Robert J. Dean, 2017-02-14 If you are passionate about participating in the recovery of preaching for the spiritual formation of God s people then you will want to jump into this lively collection of biblically rigorous culturally intuitive grace drenched sermons Robert Dean sets the bar very high even as he throws the

gauntlet down with these remarkable expressions of all that preaching was supposed to be and can still become Animated by the conviction that the preached word is the playground of the Living Word the pages of Leaps of Faith are populated by saints and sinners pimps and prophets Unexpectedly and delightfully Bono works alongside Bonhoeffer Dr Phil learns a lesson from the Amish and a discussion of body odor primes the senses for contemplating the mission of God Rooted deeply in the lives of actual worshipping communities these wonder laden sermons from the prophetic imagination of an emerging pastor theologian dare the reader to leap into the continuing story of the Triune God and in doing so discover that all of life has been taken up in the Gospel of Jesus Christ **Pacifism and Pentecostals in South Africa** Marius Nel,2018-06-27

Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today s Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes onto suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism s function in South African society to the fore this book adds a fresh perspective on the issue of pacifism in world Christianity As such it will be of great use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies Bodies of Peace Myles Werntz,2014 Bodies of Peace argues that Christian nonviolence is both formed by and forms ecclesial life creating an inextricable relationship between church commitment and resistance to war In this volume Myles Werntz examines the work of John Howard Yoder Dorothy Day William Stringfellow and Robert McAfee Brown demonstrating how each thinker s advocacy for nonviolent resistance depends deeply upon the ecclesiology out of which it comes The volume argues that any account of an ecclesially informed resistance to war must be open to a multitude of approaches not as pragmatic concessions but as a foretaste of ecumenical unity *Hauerwas the Peacemaker?* Nathan Scot Hosler,2020-04-14 War has been abolished in Christ is a strong claim by theologian Stanley Hauerwas Wars however continue to rage and historic numbers of people are displaced globally Despite critics assessments that Hauerwas contributes to Christians disengaging his work provides certain tools for the work of peacebuilding In this work Hauerwas s contribution to peacemaking as a part of his ecclesiology and broader theological ethical work will be assessed Hauerwas s peacemaking within his work stands within the context of ecclesiology and related themes of witness

and Christology The possibilities of his work on peacemaking to extend to peacebuilding practice and foreign policy formation are explored and a critique is leveled regarding his engagement with racial justice Additionally certain practices of reading in theology and training in this language are extrapolated to engage the task of policy formation and analysis in contexts where religion is an active factor This study concludes that Hauerwas's theological ethics of peacemaking makes a valuable contribution but must be extended into specific practices

Gospel of the Absurd Robert Scot Miller, 2017-08-02 Gospel of the Absurd is a project that originates in the anarchic experiences of a crack cocaine addict who was knocked off his high horse by an experience of Jesus Having spent years as an enemy of the faith R Scot Miller came back to faith with the passion of a new convert infused with a subversive's heart for turning the world upside down In the process of stumbling every bit as much as he learned to walk in the light Miller begins to understand that the subversive claims of the gospel of Jesus as the Christ are not only the most meaningful response to the absurdity of the world but that such absurdity demands a community of action that makes the subversive Christ the credible response to a culture and Christendom run amok with power and greed Gospel of the Absurd is about an ethic informed by an absurd claim that being the claim that voluntary sacrifice of privilege is the proper response to human brokenness and the systems of domination that have lured the church into apostasy Miller then explores whether the church by prioritizing care ethics over legislative or coercive justice is the salvific experience Jesus is calling us to engage in

Fratelli Tutti William T. Cavanaugh, Carlos Mendoza-Álvarez OP, Ikenna Ugochukwu Okafor, Daniel Franklin E. Pilario CM, 2024-01-19 This volume is the first truly global commentary on a papal encyclical Pope Francis published Fratelli Tutti in October 2020 in the midst of interrelated global crises climate catastrophe ongoing racial injustice a widening gap between the rich and the desperately poor battles over human migration the rise of authoritarian politics and the erosion of democracy all exacerbated by the COVID 19 pandemic The encyclical provided a sobering assessment of the devastation but also a hopeful vision of solidarity and healing The responses in this book not only reflect on Fratelli Tutti from a great diversity of locations and perspectives but also attempt to model Francis's call to fraternity and sorority within this volume In these pages scholars from around the world create a conversation meant to embody one of the virtues that Francis elicits in the encyclical creative openness to the reciprocal gifts of others This book takes up Pope Francis's invitation to continue talking thinking and acting always in a climate of both confidence and audacity to promote social friendship among the people of the world

Catholic Discordance Massimo Borghesi, 2021-12-20 2022 Catholic Media Association honorable mention Pope Francis 2022 Catholic Media Association honorable mention in English translation edition One element of the church that Pope Francis was elected to lead in 2013 was an ideology that might be called the American model of Catholicism the troubling result of efforts by intellectuals like Michael Novak George Weigel and Richard John Neuhaus to remake Catholicism into both a culture war colossus and a prop for ascendant capitalism After laying the groundwork during the 1980s and armed with a selective and manipulative reading of Pope John Paul II's 1991

encyclical Centesimus Annus these neoconservative commentators established themselves as authoritative Catholic voices throughout the 1990s viewing every question through a liberal conservative ecclesial political lens The movement morphed further after the 9 11 terror attacks into a startling amalgamation of theocratic convictions which led to the troubling theopoliticism we see today The election of the Latin American pope represented a mortal threat to all of this and a poisonous backlash was inevitable bringing us to the brink of a true American schism This is the drama of today's Catholic Church In Catholic Discordance Neoconservatism vs the Field Hospital Church of Pope Francis Massimo Borghesi who masterfully unveiled the pope's own intellectual development in his The Mind of Pope Francis analyzes the origins of today's Catholic neoconservative movement and its clash with the church that Francis understands as a field hospital for a fragmented world

Following Jesus David Lowry, 2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God's compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God's presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus's followers gathered by Jesus to be sent out we exercise true society altering witness *From the Divine to the Human*

Muhammad U. Faruque, Mohammed Rustom, 2023-06-28 Featuring the work of leading contemporary Muslim philosophers and theologians this book grapples with various forms of evil and suffering in the world today from COVID 19 and issues in climate change to problems in palliative care and human vulnerability Rather than walking down well trodden paths in philosophy of religion which often address questions of evil and suffering by focusing on divine attributes and the God world relationship this volume offers another path of inquiry by focusing on human vulnerability potential and resilience Addressing both the theoretical and practical dimensions of the question of evil topics range from the transformative power of love virtue ethics in Sufism and the necessity of suffering to the spiritual significance of the body and Islamic perspectives on embodiment In doing so the contributors propose new perspectives based on various pre modern and contemporary materials that can enrich the emerging field of the global philosophy of religion thereby radically transforming contemporary debates on the nature of evil and suffering The book will appeal to researchers in a variety of disciplines including Islamic philosophy religious studies Sufism and theology War and Religion Jolyon Mitchell, Joshua Rey, 2021 This book provides an overview of the history of religion and war and a framework for analysing it Ranging from ancient history to modern day conflicts and touching on both religiously incited violence and pacifism it offers a nuanced view on these issues that have had

such weight in the past and which continue to shape our present and future **Approaching the End** Stanley Hauerwas, 2015-02-17 In this book Stanley Hauerwas explores the significance of eschatological reflection for helping the church negotiate the contemporary world In Part One Theological Matters Hauerwas directly addresses his understanding of the eschatological character of the Christian faith In Part Two Church and Politics he deals with the political reality of the church in light of the end addressing such issues as the divided character of the church the imperative of Christian unity and the necessary practice of sacrifice **Just War Theory and Literary Studies** Ty Hawkins, Andrew Kim, 2021-09-01 This book questions when why and how it is just for a people to go to war or to refrain from warring in a post 9 11 world To do so it explores Just War Theory JWT in relationship to recent American accounts of the experience of war The book analyses the jus ad bellum criteria of just war right intention legitimate authority just cause probability of success and last resort before exploring jus in bello or the law that governs the way in which warfare is conducted By combining just war ethics and sustained explorations of major works of twentieth and twenty first century American war writing this study offers the first book length reflection on how JWT and literary studies can inform one another fruitfully *The Oxford Handbook of Theology and Modern European Thought* Nicholas Adams, George Pattison, Graham Ward, 2013-02-28 Modern European thought describes a wide range of philosophies cultural programmes and political arguments developed in Europe in the period following the French Revolution This handbook charts and explores recurring themes and approaches to this broad and complex topic particularly with regard to Theology **The Routledge Handbook of Religion and Security** Chris Seiple, Dennis Hoover, Pauletta Otis, 2013 This Handbook offers analyses of how nine different world religions have related to issues of war and peace theologically and practically overviews of how scholars and practitioners in nine different topical areas of security studies have or have not dealt with the relationship between religion and security and five case studies of particular countries in which the religion security nexus is vividly illustrated Nigeria India Israel the former Yugoslavia and Iraq Strange Worship Drew J. Strait, 2024-07-19 Christian nationalism threatens democracies and the church's witness around the world In the US the election of Donald Trump and the January 6 Capitol insurrection spilled Christian power worship into public view Since then we have worked hard to define what American Christian nationalism is and where it came from but how do we challenge it Strange Worship offers tangible steps for resisting political idolatry violent extremism dominion theology threats to democracy and the personal isolation and loneliness that lead to radicalization By drawing from the fields of biblical studies theology and peace and security studies Strange Worship invites congregations to disrupt theologies of oppression and architect a more just church and world

War And The American Difference Theological Reflections On Violence And National Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free War And The American Difference Theological Reflections On Violence And National Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free War And The American Difference Theological Reflections On Violence And National Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of War And The American Difference Theological Reflections On Violence And National Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start

exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About War And The American Difference Theological Reflections On Violence And National Identity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. War And The American Difference Theological Reflections On Violence And National Identity is one of the best book in our library for free trial. We provide copy of War And The American Difference Theological Reflections On Violence And National Identity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with War And The American Difference Theological Reflections On Violence And National Identity. Where to download War And The American Difference Theological Reflections On Violence And National Identity online for free? Are you looking for War And The American Difference Theological Reflections On Violence And National Identity PDF? This is definitely going to save you time and cash in something you should think about.
