

TUESDAY, APRIL 28, 1874.

May 11, 1875

On looking over this diary of the year  
last year, I see that on the last page I  
said the last I had strength or courage  
to say in all that year. It was on the  
night of the 27 of April 74 that I first  
realized that my troubles had struck  
the nerve centers. The spine between  
the shoulder blades became greatly  
inflamed. This was the first time in my  
life that I ever felt I had a spine, always  
so strong. The mental agony I underwent  
of this day and those that followed I can  
never describe. Even now after more than  
a year, it distresses me to remember it.

It is only three weeks ago, that I could  
commence to lie or even turn onto my back  
even for a half minute, since that sad day  
which dates the top of this page almost  
thirteen months. I am much more pale  
now than then, but not as wretched in  
mind, calmer, nerves perhaps less excited  
blood & finer make, & worse, an old maid  
now, have passed much suffering and  
learned a little how to bear it.

March - Monday 1 - 1875

Smoky - cold -

Ida came up from  
Stevie -

Verter's Medicine from Mrs. M.  
came by mail, he prepared it -

We are very cold, put a fire  
in the stove to keep warm.

I lay Ireland down, but my  
stomach gets sore.

I lay a quart of oat meal for  
supper, but that will not let  
me sleep at all, so I return  
to bread & fruit -

most important abolition step prior to the Emancipation Proclamation When free Black men were admitted to the army Wilson worked hard to obtain equal pay for them Late in the war he played a major role in the creation of the Freedmen s Bureau Among his other legendary achievements Wilson used his influential position to support Clara Barton enabling her to aid wounded soldiers He also introduced and succeeded in having passed legislation creating the Congressional Medal of Honor and establishing the National Academy of Science *America, History and Life* ,1990 Article abstracts and citations of reviews and dissertations covering the United States and Canada The Life of Clara Barton Percy Harold Epler,1915 A biography made more interesting through the free use of unpublished war diaries and letters and personal recollections
