The book unravels the lives of these legends, revealing how their experiences both on and off the ice shaped them into the warriors they are. You'll hear their voices, their reflections on the toughest opponents they faced, the most defining moments of their careers, and the lessons they learned along the way. This isn't just a collection of stories; it's a masterclass in resilience, a blueprint for navigating challenges, and a source of inspiration for anyone facing their own battles. **Ice Warriors** Jon C. Stott, 2011-04-15 Technically, it was a minor league, but for hockey fans west of the Mississippi, the Western Hockey League provided major league entertainment for over 25 years. The WHL was a determined and ambitious professional league with some 22 teams based in major American and Canadian cities. Known as the Pacific Coast Hockey League prior to 1952, the WHL aspired to establish itself as North America's second major league, a western counterpart to the early eastern Canada-based National Hockey League. But it never quite managed to make the jump to the majors. *Ice Warriors* is a play-by-play history of the Western Hockey League, recalling the league's beginnings as the Pacific Coast League, how it came to rival the NHL, and what led to its disbanding in 1974. By interviewing former players, coaches, and fans, and examining statistical records, Jon C. Stott captures the WHL's glory days and pays tribute to a time when hockey was played with heart. **Psychic Warrior** David Morehouse, 2024-07-02 A former US Army officer recounts his psychic espionage work with the CIA's Stargate Program in this very different sort of war story. Kirkus Reviews Unwittingly plunged into a paranormal nightmare. David Morehouse, a highly decorated exemplary United States Army officer, special operations infantryman, and elite Airborne Ranger Company Commander, wounded by machine gun fire during a training mission, Morehouse began to have inexplicable visions and haunting nightmares, an experience that would redirect his military career.

and land him in the government's top secret Stargate Program. His life would never be the same. Stargate. For nearly two decades the US military intelligence community delved into the dark world of psychic espionage recruiting a team of psychic spies to serve as remote viewers individuals who used their paranormal gifts to transcend time and space and uncover the highly guarded military secrets of other nations unable to tell the shocking truth for fear of death until now. When David Morehouse walked through the doors of the Stargate Program he had little idea what awaited him a paranormal hell that would bring him to the front lines of some of the most horrific disasters in recent history and nearly destroy him. In chilling detail Morehouse describes his psychic espionage work as a remote viewer from the shattering explosion of Pan Am Flight 103 to the choking smoke of Desert Storm even further back in time to Hiroshima and the darkest days of Nazi Germany. And more startling yet is his account of the US government an organization bent on the destructive use of psychic powers and on stopping the one man who was brave enough to blow the lid off their top secret Stargate Program. Praise for Psychic Warrior. A crackling saga that makes The X-Files look like The Waltons. The American. A dramatic tale told with flair. Publishers Weekly.

A Little Brother's Journey... the Hero Within Dr. Darren R.J. LaLonde, 2012-06-19 I was around ten years old sleeping in the back seat of my mom's car parked during evenings at the Detroit River I looked out the window at the stars as I feared morning until by exhaustion I would fall asleep I often woke up having wet my pants from my very real and imagined fears By day my mom would look for work and wash clothes while I hung out with the old black guys that would spend their day fishing in the Detroit River I thought I was the only one who grew up in fear in a world of abuse until at thirteen I finally met my half brother at a professional boxing match He was in sitting next to our dad Donny looked at me from inside the ring trying to figure out who I was as the fight announcer was making his formal introductions All we had shared at this point was the same biological father Little did we know

Ice & Possession Heather C. Myers, Frankie Cardona, 2025-09-24 I've watched her since we were kids and after she starts dating my best friend I know I have to act She's going to be mine whether she wants to or not And anything that threatens that I'll put down myself Addison Ever since I was a kid I've felt like someone's watching me I can't explain it When I get to college the eyes are still on me They're always on me But this time I have Eren He's the first boyfriend I've ever had I'd do anything for him Even hang out with him and his best friend Michael Sure they play on the Titan hockey team together but I've known Michael for years and he's nice but I don't know Something's off about him I can't explain it And then Eren asks me to do the unthinkable He tells me he doesn't want to take my virginity In fact the thought of me being a virgin disgusts him to the point where he asks me if I would be okay if Michael took care of it If Eren could watch while me and his best friend went all the way And then we'd all just carry on like normal I said I'd do anything for Eren but The more time I spend with Michael the more I realize I'm not interested in going back to the way things were before And with the way Michael watches me I don't think he is either Michael I still remember the way she looked sitting in that chair with a blindfold legs spread wide open like a gift just waiting for me to unwrap her And I did Just a taste nothing more but it was enough To this day she still doesn't know it was me But her essence is branded on me like a tattoo and now I can't stop thinking about her I can't stop following her I can't stop watching her It doesn't help that she's dating my best friend and teammate It doesn't help that I want to tear him to shreds for even

looking at her But then Eren drops a gift into my lap He wants me to be Addison s first He wants nothing to do with her innocence He wants me to break her in and then he can go back to being her boyfriend after That will not happen If Eren wants to watch fine If he wants to hear his girlfriend scream my name if he wants to see the pleasure only I can give her fine She ll be the last thing he sees before I put him down myself Ice Possession is probably the most unhinged thing I ve ever written It is a standalone HEA dark hockey romance with so many triggers I don t even know what to tell you If you like stalker obsessive Alpha heroes who would burn the world down for their girl and innocent virgins with a dark side herself you re going to really like this book
