Cristina de Leon, Publiished by Psicom Publishing Inc **Publishing Romance Fiction in the Philippines** Jodi McAlister, Claire Parnell, Andrea Anne Trinidad, 2023-06-08 The romance publishing landscape in the Philippines is vast and complex characterised by entangled industrial players diverse kinds of texts and siloed audiences This Element maps the large multilayered and highly productive sector of the Filipino publishing industry It explores the distinct genre histories of romance fiction in this territory and the social political and technological contexts that have shaped its development It also

examines the close connections between romance publishing and other media sectors alongside unique reception practices It takes as a central case study the Filipino romance self publishing collective RomanceClass analysing how they navigate this complex local landscape as well as the broader international marketplace The majority of scholarship on romance fiction exclusively focuses on the Anglo American industry By focusing here on the Philippines the authors hope to disrupt this phenomenon and to contribute to a more decentred rhizomatic approach to understanding this genre world Longings W. J. Manares,2023-11-16 Longings and other Longer Poems is a captivating collection of poetry that explores the depths of human emotions delving into the complexities of longing desire and introspection Written by a bunch of extraordinary poets this book is a must read for anyone seeking to experience the beauty and power of language One of the most compelling aspects of this collection is the way it embraces the longer poetic form While many contemporary poems are known for their brevity the authors defy convention allowing the themes to unfold and develop over multiple stanzas This deliberate choice imbues each poem with a rich narrative quality drawing readers into a shared experience of profound emotions In a world where attention spans are increasingly shorter Longings and other Longer Poems offers a refreshing departure from the norm Its lengthier compositions not only showcase the authors skill and creativity but also demand the reader s time and focus The poems encourage a slower more deliberate reading experience allowing readers to truly immerse themselves in the emotions and ideas expressed **Forever In My Arms (Tagalog)** CDLiNKPh,2024-06-01 Forever In My Arms Written by
