Waxing Gibbous Christopher D. Roe,2015-12-09 We all have a powerful connection that exists just beyond in the hereafter Often it is the soul of a loved one who has passed on and looks over those who are lucky enough to have a guardian angel But a few of us are not so lucky for in the void lurk malevolent entities in search of human prey One such demon has its sights set on ten year old Alice Bennett Its mission is to drain the child of her faith in God along with any and all hope for survival and it must accomplish this before the waxing gibbous phase of the moon ensues As its time is short it devises a plan in which it will tell her three frightening true stories Will these nightmarish stories be enough to break down Alice s defenses leaving her open to eternal demonic possession Or does the pure innocence of a child reserve a clandestine defense greater than the awesome power of a malevolent eternal entity Embracing Darkness Christopher D. Phineas Poole is notorious for making bad decisions Blindly accepting the position as pastor of a small unknown church in rural New Hampshire isnt the worst choice he could make Yet he and Sister Mary Ignatius an overbearing foulmouthed glue sniffing nun choose to risk everything when they secretly open their rectory to shelter abused children Their trouble begins when they take in Zachary Black an antisocial misfit with no conscience and a burning hatred for those around him Assuming the boys malevolence to be a cry for help the priest focuses all his attention and efforts on Black who has neither the desire to be helped nor the intention to be reformed Ultimately this situation puts the lives of those whom Phineas loves in peril and forces him to reveal the sins of a dark past **A vindication of the conduct of captain Christopher Middleton in a late**

Garner,2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commerical pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion

for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me **Book**
