Ways of the World: A Brief Global History with Sources, Combined Volume Robert W. Strayer, Eric W. Nelson, 2015-10-02

Ways of the World is one of the most successful and innovative textbooks for world history. The brief by design narrative is truly global and focuses on significant historical trends, themes, and developments in world history. Authors Robert W. Strayer, a pioneer in the world history movement with years of classroom experience, along with new co-author Eric W. Nelson, a popular and skilled teacher, provide a thoughtful and insightful synthesis that helps students see the big picture while teaching students to consider the evidence the way historians do. Ways of the World with Sources, Volume 1 Robert W. Strayer, Eric W. Nelson, 2018-09-07

Ways of the World is one of the most successful and innovative textbooks for world history. This 2 in 1 textbook and reader includes a brief by design narrative that focuses on significant historical developments and broad themes in world history. With keen consideration of the needs of their student audience, authors Robert W. Strayer and Eric W. Nelson provide an insightful big picture synthesis that helps students discern what matters most in world history: patterns and variations on both global and regional levels, and continuity and change over time. With the same personal touch, the authors guide students to consider primary and secondary source evidence the way historians do. Available for free when packaged with the print book, the popular digital assignment options for this text bring skill building and assessment to a highly effective level. The active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that when assigned helps ensure students read the book, the complete companion reader with Thinking through Sources digital exercises that help students build arguments from those sources, and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared, Achieve Read Practice pairs LearningCurve adaptive quizzing and our mobile accessible Value Edition e-book in one easy-to-use product. Ways of the World: A Brief Global History with Sources, Volume 2: Since 1500 Robert W. Strayer, 2010-06-04

Ways of the World: A Brief Global History with Sources is a docutext combining a brief narrative with written and visual primary source collections, providing the convenience of a text and reader in one volume. Ways of the World is thoroughly global in its thematic and comparative approach. The brief narrative highlights major developments, giving students and instructors the room to explore the primary sources fully. Students can connect with Strayer's distinctive voice and clear, powerful writing. A thoughtful prologue and part-opening essays emphasize the book's big picture approach, and each chapter narrative ends with Reflections, a consideration of history and the human enterprise it explores. Ways of the World: A Brief Global History with Sources, Volume I Robert W. Strayer, Eric W. Nelson, 2015-10-02
