Experiences with Hildegard Nicola Martens,2024-03-07 Our book Experiences with Hildegard is finished It was created through the joint work of our family and 51 people who contributed their experiences and insights A book alone can perhaps never do justice to a person But a book written with the spiritual guidance of Master Dean Li can convey a special energy Then this spirit can waft between the letters lines and their contents a clarity that we just like Hildegard seek This spirit is at the center Thank you very much Master Li Hildegard was once asked about her work in an interview with the Montessori Association You are very interested in Chinese medicine You have already taken part in numerous training and further education courses What makes it so interesting for you Were you looking for something there that you felt was missing from Montessori Or are there connections that we don t know about Hildegard I can only give a provisional answer to this question I have only been studying Original Chinese Medicine for 10 years Yes there are connections that we still know little about Which lead further into areas that Montessori addresses in the quote how being nobody serves as a prerequisite for recognizing the origin of things Which leads on to the questions whose answers we must seek and find within ourselves How do you love the universe How do you recognize the origin of things How do you become nobody This is where the trail of ancient wisdom runs which each individual must decide to follow Hildegard chose this path and found many answers This is what this book is about What does it mean for us to save this winter Hildegard shows us the path we should continue on This time of change is very good for this everyone can save something good Hildegard is so clear she shows us how we can move forward Master Dean Li
