Fasting against Cancer: The Truth About Cancer's Metabolism—And How to Starve It Laing Z. Matthews, 2025-09-20 Cancer is not a mysterious curse nor an unpredictable genetic misfire it is a metabolic disease fueled by the modern lifestyle Fasting Against Cancer shatters the illusion that healing requires only cutting burning or drugging the tumor Instead it reframes cancer as a terrain imbalance a breakdown of the body's natural rhythms and offers a path to reclaim power through the oldest medicine of all

fasting This book is not just about removing food It s about restoring clarity Blending cutting edge science with ancient wisdom Fasting Against Cancer introduces the reader to the metabolic roots of tumor growth sugar overload insulin resistance mitochondrial breakdown and chronic inflammation But it doesn t stop there It guides you through the spiritual emotional and environmental layers that form the terrain where cancer takes root You ll discover Why glucose is the cancer cell s favorite fuel and how to cut the supply How insulin acts like Miracle Gro for tumors and how to reduce its overproduction The misunderstood power of autophagy ketones and metabolic switching Why the Western food system breeds disease by design not accident The difference between starvation and sacred pause How trauma poor sleep and circadian chaos silently ignite the terrain Practical fasting protocols for healing and prevention daily seasonal and annual The emotional and spiritual transformation that fasting can ignite This is not a diet manual It is a manual for sovereignty Each chapter is a call to return to the body s natural intelligence to stop feeding the fire of cancer and to begin tending the terrain that keeps life radiant From metabolic reprogramming to inner stillness from light hygiene to emotional digestion this book restores fasting as a sacred strategic act not a punishment but a prayer Informed by the work of pioneers like Dr Thomas Seyfried Dr Valter Longo and Otto Warburg but written in clear soul centered language this book speaks to patients caregivers seekers and clinicians alike Whether you re facing cancer now or seeking to prevent it Fasting Against Cancer offers more than a protocol it offers a paradigm shift The tumor is not the enemy The terrain is the message Fasting is how we listen

Millennial Medicine Victor Shane, 2022-07-26 Attention millennials Before you know it you will inherit the health care mess that previous generations have left behind How will history judge you Will it show that you made smart decisions to battle diabetes heart disease cancer and other diseases Or will it show that you came and went and nothing changed In this book the author examines why so many people continue to die from cancer which President Richard Nixon declared war on in 1971 Half a century and billions of taxpayer dollars later it continues to kill hundreds of thousands of people each year Get answers to questions such as How have beliefs about medicine changed over time How can we understand the ontology of cancer How is our body like an automobile engine Why have we made so little progress in fighting cancer and other diseases Other topics include DNA mutations why cancer starts in the first place thermodynamics and how it relates to disease and the instability of life Get a blueprint to look at cancer and health in a new way with the insights in Millennial Medicine Victor Shane in Millennial Medicine presents a strong and detailed argument that the attack on the plague of cancer should be aimed at what many believe is its root cause the malfunctioning of the cell s repair mechanism the mitochondria Shane then associates this malfunctioning as due to the mitochondria receiving malnutrition the junk foods and processed foods that we feed it An interesting nuance in the search for a cure Gerald L Schroeder Ph D Jerusalem Israel In his wide ranging book Shane skillfully points out the mounting empirical evidence that modern nutritional deficits may contribute to cancer and clearly offers some valuable advice about healthy eating and lifestyles Kirkus Reviews **Fit to**

Compete Michael Beer, 2020-01-14 Is Silence Killing Your Strategy In his thirty years of working in corporations Harvard Business School professor Michael Beer has witnessed firsthand how organizational silence derails strategic objectives When employees can't speak truth to power senior leaders don't hear what they need to hear about their company's fitness to compete and employees lose trust in those leaders and become less committed to change In Fit to Compete Beer presents an antidote to silence principles and a time tested innovative process for holding honest conversations with everyone in your organization Used by over eight hundred organizations across the globe the strategic fitness process has helped leaders in a diverse range of industries including medical technology information technology banking restaurant chains and pharmaceuticals hear the raw but necessary truth about the sources of misalignment between their strategies and their organizations In addition to step by step instructions Beer offers detailed and illustrative case studies of companies that have conducted honest conversations to great effect He also shows how to apply the process more broadly to a variety of strategic challenges and at multiple levels throughout the organization Practical enlightening and comprehensive Fit to Compete is the book you should turn to if you want to create winning strategies that your entire company will rally behind **dump dumb**

The Truth About Stories Thomas King,2003-11-01 Winner of the 2003 Trillium Book Award Stories are wondrous

things award winning author and scholar Thomas King declares in his 2003 CBC Massey Lectures And they are dangerous Beginning with a traditional Native oral story King weaves his way through literature and history religion and politics popular culture and social protest gracefully elucidating North America s relationship with its Native peoples Native culture has deep ties to storytelling and yet no other North American culture has been the subject of more erroneous stories The Indian of fact as King says bears little resemblance to the literary Indian the dying Indian the construct so powerfully and often destructively projected by White North America With keen perception and wit King illustrates that stories are the key to and only hope for human understanding He compels us to listen well

The Unarmed Truth John Dodson, 2013-12-03 A hard hitting inside account of the Fast and Furious scandal the government sponsored program intended to win the drug war by providing and tracking gun sales across the border to Mexico from whistle blower and ATF agent John Dodson After the terror attacks of September 11 2001 John Dodson pulled bodies out of the wreckage at the Pentagon In 2007 following the shooting massacre at Virginia Tech John Dodson walked through the classrooms heartbroken to cover up the bodies of the victims Then came Arizona The American border Ten days before Christmas 2010 ATF agent John Dodson awoke to the news he had dreaded every day as a member of the elite team called the Group VII Strike Force a U S border patrol agent named Brian Terry had been shot dead by bandits armed with guns that had been supplied to them by ATF Was this an inevitable consequence of the Obama administration s Project Gunrunner set in place one year earlier ostensibly to track Mexican drug cartels Brian Terry s murder would not only change John Dodson s life forever it would reveal a scandal so unthinkable unpatriotic that it forced President Barack Obama to claim executive privilege and caused Attorney General Eric Holder to be held in contempt of Congress Federal Agent John Dodson an ex military man took an oath to defend the world s greatest country and proudly considered himself a walking patriotic example of the American Dream Brian Terry ex military like Dodson was only forty years old a family man who served his country by working for the government Dodson was terrified when the next phone call came one with the potential to destroy his career his family and his life CBS investigative journalist Sharyl Attkisson asked Dodson to go public with what he knew about Fast and Furious To Agent Dodson this meant blowing the whistle But to the family of Agent Terry it was a chance to save lives and right a wrong As he took a fight from the border towns of Arizona to a showdown in the halls of Congress John Dodson clung to the hope that truth would prevail that he would be redeemed and that Brian Terry s death would not be in vain Like whistle blowers before him John would not be welcome back on the job But he found strength in his conscience in the support of the American public and in Senators Darryl Issa and Chuck Grassley When his first amendment rights to publicly tell his story were threatened the ACLU took up his case For her report revealing John Dodson as the key whistle blower in Fast and Furious Sharyl Attkisson received an Emmy Award for Outstanding Investigative Journalism Ultimately John Dodson was cleared by the Inspector General s office publicly heralded as a hero and returned to Arizona Perhaps a lesson gleaned from John Dodson s powerful account is well
