Unashamed Workmen How Expositors Prepare And Preach:

Unashamed Workmen Rhett Dodson, 2014-09-20 Exciting insight into a preacher's preparation Collection of prominent preachers Valuable resource for those teaching from the Bible **Christ-Centered Preaching** Bryan Chapell, 2018-05-15 In this complete guide to expository preaching Bryan Chapell teaches the basics of preparation organization and delivery the trademarks of great preaching This new edition of a bestselling resource now updated and revised throughout shows how Chapell's case for expository preaching reaches twenty first century readers **Power and the Pulpit** Gerald Hiestand, Joel Lawrence, 2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church's adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God's word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching **7 Days to Change Your Life** Josh Moody, 2017-01-03 When did being too busy and going through the motions become a way of life It's no surprise that the rush between meetings and e mails sports practices and church functions is tiring even exhausting It's time to stop running and start following Jesus's call to Follow Me was not just an invitation to faith it was a prescription for living well Walking through the seven Follow Me statements in the Gospel of Matthew author Josh Moody explores Jesus's teachings of hope life truth freedom humility greatness and glory in 7 Days to Change Your Life In each statement and with each teaching Jesus gets closer to Calvary and closer to the cross and you get closer to finding a focus for your life no matter how hectic it may be Although following Jesus is not a new concept to believers following Jesus completely becomes difficult when life moves faster and faster Organized to be read a chapter a day Josh meets you in your busy hectic schedule and reveals a biblical plan to revitalize your life in as little as seven days Endorsements Wonderfully accessible and culturally relatable the book is destined to draw believers young and old to a fuller and ever flourishing relationship with the King of Kings A must read Harold B Smith President and CEO Christianity Today I am confident that readers will find real guidance and genuine enablement in the pages of this thoughtful and readable volume It is joy for me to commend this new work David S Dockery President Trinity Evangelical Divinity School At the risk of sounding simplistic he tells us that the way to start again or to experience a revitalization is to change your mind about what you've been doing and rethink where you're wanting to go But here's the point this change of mind is linked to Jesus and the
