Biscotti,2017-06-23 Hunting literature had its beginnings as early as the fourteenth century when nobles hunted stag bear fox and other game on horseback As foxhunting grew in popularity literary works that covered the sport flourished as well In Six Centuries of Foxhunting An Annotated Bibliography M L Biscotti has compiled all books produced in Great Britain and the United States that pertain to or mention foxhunting with hounds Arranged alphabetically by author more than 2000 titles are included Each entry features details such as place and year of publication publisher book size page count illustrations and binding Nearly every title is also annotated with a description of the book s contents and biographical sketches are provided for the most notable authors Narratives histories illustrated works verse fiction and even anti hunting literature all have their place in this volume Six Centuries of Foxhunting also features more than thirty images of book covers and foxhunting illustrations With appendixes that contain author title and illustrator time lines and separate author and title indexes this comprehensive bibliography is a valuable resource for researchers book dealers and collectors and foxhunters **The Kennel Club Calendar and Stud Book** ,1874 **The "Idstone" Papers** Thomas Pearce,Idstone (of The Field.),1874 Women, Horse Sports and Liberation Erica Munkwitz,2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts *Sale* Anderson Galleries, Inc,1922 **Gardeners' Chronicle** ,1879 **"The" Catalogue of the Public Library of Victoria** ,1880 *The Athenaeum* James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1872
