Uncertain Path Democratic Transition And Consolidation In Slovenia:

Uncertain Path Rudolf Martin Rizman, 2006-06-07 In this case study of the politics of transition in Eastern Europe Rudolf Martin Rizman provides a careful detailed sociological explanation and narrative on the emergence of independent statehood and democracy in Slovenia a small state whose experience is of interest to policy makers scholars and serious students of Eastern Europe In his focus on the transition from an authoritarian to a democratic regime Rizman analyzes social processes and political issues in the context of the Third Wave of democratization identifying zones of certainty and uncertainty Challenging many generally accepted ideas about small states and their transitions to democracy this book places Slovenia's pattern of democratization in the wider regional context of eastern and central European post communist transitions Rizman shows for example that a country's size is merely one factor out of many and while Slovenes considered the influence of larger states their choices were not particularly circumscribed by them Opening with a discussion of the relevant theoretical environment in sociology and political science Rizman illuminates the complex processes of democratic transition and consolidation From there the book analyzes the internal and external processes and factors relevant for Slovenia's successful trajectory from existence as an ethnically defined sub nation to an internationally recognized nation state After careful consideration of religious political military intellectual and other socio political stakeholders in the region including the somewhat disturbing evidence of the salience of a new radical Right Rizman concludes that Slovenia is irreversibly set on the course of democratization with indications of having reached the early stages of consolidation

Uncertain Path Rudolf Martin Rizman, 2000 *Uncertain Path* Rudi Rizman, Rudolf Martin Rizman, 2006 In this case study of the politics of transition in Eastern Europe Rudolf Martin Rizman provides a careful detailed sociological explanation and narrative on the emergence of independent statehood and democracy in Slovenia In his focus on the transition from an authoritarian to a democratic regime Rizman analyzes social processes and political issues in the context of the Third Wave of democratization identifying zones of certainty and uncertainty Challenging many generally accepted ideas about small states and their transitions to democracy this book places Slovenia's pattern of democratization in the wider regional context of eastern and central European post communist transitions Uncertain path : the problems of democratic transition and

consolidation in Slovenia Rudi Rizman, Ezra F.- Vogel, 2000 **Central and Southeast European Politics since 1989**

Sabrina P. Ramet, 2010-02-18 The only textbook to provide a complete introduction to post 1989 Central and Southeast European politics this dynamic volume provides a comprehensive account of the collapse of communism and the massive transformation that the region has witnessed It brings together 23 leading specialists to trace the course of the dramatic changes accompanying democratization The text provides country by country coverage identifying common themes and enabling students to see which are shared throughout the area giving them a sense of its unity and comparability whilst strengthening understanding around its many different trajectories The dual thematic focus on democratization and

Europeanization running through the text also helps to reinforce this learning process Each chapter contains a factual overview to give the reader context concerning the region which will be useful for specialists and newcomers to the subject alike

Balkans into Southeastern Europe, 1914-2014 John Lampe, 2014-07-15 The states and peoples of Southeastern Europe have been divided by wars over the twentieth century but they have since worked to re establish themselves into the European mainstream This timely new edition has been revised updated and expanded in the light of the latest scholarship and recent events John R Lampe now offers a comprehensive assessment of the full century from the Sarajevo assassination in 1914 through to EU membership and developments up to the present day
