A Guide to Ontario School Law Benjamin Kutsyuruba, David Burgess, Keith Walker, J. Kent Donlevy, 2014-05 A Guide to Ontario School Law is a comprehensive non partisan fair reading of provincial educational statutes regulations and relevant policies that will be a first aid and reference to the lay reader Our goal is to provide an up to date accessible and user friendly guide to various legal parameters for teachers aspiring teachers trustees school administrators central office administration parents and interested community members In particular the resources and insights in this guide are aimed at helping teacher candidates to develop literacy in educational law and policy and ultimately to successfully transition from teacher education programs into teaching careers Understanding Canadian Schools : an Introduction to Educational Administration Jonathan C. Young, Benjamin Ruvin Levin, 1997 Gay, Lesbian, and Transgender Issues in Education James Sears, 2013-01-11 Understand the challenges from the voices involved today's LGBT youth AND the leading educators and scholars in the field Gay Lesbian and Transgender Issues in Education presents LGBT youth issues through the words of the adolescents themselves along with clear up to date essays about LGBT youth programs policies and practices around the world Leading international educators and scholars examine personal experiences of LGBT youth cutting edge programs and research first presented in the international Journal of Gay Lesbian Issues in Education Dynamic and thought provoking this insightful book brings together ideas and a vision vital for the future of today's LGBT youth Invaluable for educators counselors graduate and undergraduate students and LGBT youth alike Gay Lesbian and Transgender Issues in Education is readily accessible and easy to read yet still provides in depth multidimensional examinations of the LGBT youth programs and practices essential for the propagation of social tolerance acceptance and safety of our youth The LGBT youth voices sing clear their views about the urgent need for programs and policies within educational resources to challenge the present dominant intolerant thinking The editor presents cogent essays that reveal the complex issues of the educational programs and practices while offering strategies and hope for societal change The book strives for the ultimate goal of reaching LGBT acceptance within society to move beyond simple toleration toward becoming completely equal regardless of sexual identity Gay Lesbian and Transgender Issues in Education explores transgender college students bullying and homophobia research on LGBT studies in education teaching elementary preservice teachers multicultural school based programs for HIV education serving transgender youth successes and deficiencies of gay straight alliances race and youth programs in urban high schools growing up lesbian in Australia New Zealand and the United States growing up gay in Japan and China Gay Lesbian and Transgender Issues in Education is an essential exploration of LGBT issues and an excellent educational tool for educators undergraduate and graduate students counselors social workers LGBT youth and for any professional working with LGBT youth **Captive Audience** Catherine Gidney, 2019-04-02 White Spot a popular BC restaurant chain solicits hamburger concepts from third and fourth grade students and one of the student's ideas becomes a feature on the kids menu

Home Depot donates playground equipment to an elementary school and the ribbon cutting ceremony culminates in a community swathed in corporate swag temporary tattoos and a new Home Depot song written by a teacher and sung by the children Kindergarten students return home with a school district prescribed dental hygiene flyer featuring a maze leading to a tube of Crest toothpaste Schools receive five cents for each flyer handed to a student While commercialism has existed in our schools for over a century the corporate invasion of our schools reached unprecedented heights in the 1990s and 2000s after two decades of federal funding cuts and an increasing tendency to apply business models to the education system Constant cutbacks have left school trustees administrators teachers and parents with difficult decisions about how to finance programs and support students Meanwhile studies on the impact of advertising and consumer culture on children make clear that the effects are harmful both to the individual child and the broader culture Captive Audience explores this compelling history of branding the classroom in Canada *Foucault and Education* Stephen J. Ball, 2019-05-16 Specially selected by Stephen Ball this is a collection of the best and most interesting recently published papers that use Foucault to analyse destabilise and re claim educational problems Arguably the best known social theorist in the western world Foucault's work is now widely used by researchers and writers in many fields of social science These papers not only demonstrate the practical applicability of Foucault to things cracked and things intolerable in making them not as necessary as all that they are also transposable in that they offer forms and methods of analysis which can be taken up and applied and used in other settings sectors and policy fields **The Development of Postsecondary Education Systems in Canada** Donald Fisher, Kjell Rubenson, Theresa Shanahan, Claude Trottier, 2014-09-19 How higher education policy affects educational outcomes

Education in North America D. E. Mulcahy, D. G. Mulcahy, Roger Saul, 2014-02-27 Education in North America is a concise and thorough reference guide to the main themes in American and Canadian education from their historical roots to the present time The book brings a global awareness to the discussion of local issues in North American education and sheds light on the similar and different ways that Canada and the United States have moved in light of political and social changes Scholarly contributions made by active researchers from the region provide an overview of each country's education system the way in which it arose and its current state of affairs **Rural Transformation and Newfoundland and Labrador**

Diaspora Amarjit Singh, Mike Devine, 2013-11-08 This book is endorsed by Dr Clar Doyle in his preface to this book Dr Doyle is very well known locally This book is about the contemporary life of grandparents in Newfoundland and Labrador a geographically isolated and culturally unique rural region of Canada The book can be used for courses in the areas of critical social work family studies gerontology nursing rural development critical pedagogy and diaspora studies Clar Doyle Professor of Education Memorial University of Newfoundland and member of the Founding Scholars Advisory Board The Paulo and Nita Freire International Project for Critical Pedagogy This book offers a platform not only to look in on the lives of vital grandparents but paints in broad strokes a mural of coming changing as well as challenging cultural and social settings

In what the astute editors call small nuanced studies we find telling narratives of generational connections in the face of changing and challenging odds This book does a great service to the concept of diaspora as well as to the changing nature of that concept This book elevates the status of grandparents by positioning them as vital members of a complex and challenging society where their skills gifts and sheer presence are most formative As is strongly advocated in this book it is essential that educators curriculum developers and teachers appreciate the place of grandparents in their students lives
