Yates, Susan Alexander Yates, 1992 **What Really Matters** Isaac George, 2007-09 The world is changing very rapidly So much has changed and is changing that one might say the entire planet is suffering from stress Great suffering seems to be everywhere with a great many people living from day to day in survival mode whether due to economic circumstances war or disease Even in those countries that are experiencing enormous wealth and material prosperity the suffering of many is a spiritual suffering a longing for more and more things or relationships while at the same time questioning it all Is this all there is could be the very question that creates the change that is so needed Indeed the survival of the species and the Planet may hinge on how we respond to the stress of what does not work any longer If you feel insane and stressed then this book is an open door to sanity *What Really Matters* is an insightful collection of spiritual perspectives that addresses the most significant issues facing individual and collective humanity during this important time of transformation and change on the planet It's a simple and friendly guidebook to discovering the true nature of our being as Infinite Consciousness It is time for something new now *What Really Matters* Tony Schwartz, 1996-03-01 At the height of his career as a journalist Tony Schwartz hit an unexpected wall Why did success suddenly feel so empty How could he add richer meaning to his everyday life What guides could he trust on the road to wisdom During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas from a peak performance workshop at a

tennis academy in Florida to a right brain drawing course in Boston Blending the hunger of a seeker with a journalist's hard headed inquiry he discovered the best teachers and techniques for inner development and identified the potential pitfalls and false gurus he met along the way What he found dramatically changed his life It may change yours as well *What Really Matters* Eugenia Price, 2021-08-17 Eugenia Price has written a very personal accessible book about what for her is the central tenet of contemporary Christian life It is a book for all Christian readers one of her finest inspirations Is it faith she asks Is it prayer Is it spiritual growth Is it praise Is it service and giving Is it our commitment to God Himself Yes these are all basics for a fruitful life as a Christian But underlying and enhancing these virtues is God's everlasting love for us Once we are sure in this knowledge that God will never forsake us everything else will fall into place Faith and prayer and praise and giving and service and commitment to God and our fellow men will begin to happen as a result of our paying attention to the all important fact of His unswerving commitment to us What Really Matters at Home John C.
