What The Bible Really Says About Sex:

What the Bible "Really" Says about Sex Tom Gruber, 2001 What the Bible Really says About Sex and what many people think the Bible says about sex are two different things Although the Bible clearly condemns immoral sexual behaviour to go beyond what the Bible clearly teaches is legalism Words like adultery fornication and lust do not mean the same things today that they meant in biblical times We've also lost sight of the reasons behind the rules What the Bible Really says about Sex makes a compelling biblical case for responsible non monogamy also known as polyamory It also grapples with other difficult ethical questions concerning nudity prostitution pornography homosexuality situation ethics polygamy the sin of Adam and Eve procreation marriage safe sex love sex after the resurrection and family values Tom Gruber gets to the crux of the matter with laser sharp clarity Gruber writes in a style that a layman can easily understand a skeptic cannot easily refute and a scholar cannot easily dispute This highly controversial book is a must read for all open minded individuals seeking an accurate understanding of What the Bible Really says About Sex What The Bible Really Says About That...! Robert L. Kramer, 2008-05 ARE YOU SURE YOU KNOW What the Bible really says about some of the most IMPORTANT CONTROVERSIAL subjects Was the world created in six days Is sex a tolerated tainted activity What is the image of God Did Enoch and Elijah never die Was I born a sinner or saint Is Saturday or Sunday the required holy day How did an evil Satan get into God's good world Once saved does it really matter how I live Am I an adopted child of God or born into His family Is my soul immortal and will sinners face eternal torture or eternal death in Hell Read this clarifying scholarly but easy to read study of some controversial doctrines and difficult Bible texts Discover that what the Bible actually says about these subjects is more exciting and freeing than the traditional lore and faulty interpretations men have taught The writer Rev Robert L Kramer is a graduate of Moravian College and received his theological training at the Evangelical Seminary Reading PA and Moravian Theological Seminary Bethlehem PA He had been a pastor for 45 years in the Evangelical Congregational Church and had written Sunday School lessons for the denominational Sunday School quarterly and articles for the church paper The United Evangelical He had served as secretary and then president of the Christian Educational Society of the Evangelical Congregational Church Upon retirement from the pastorate he was urged by his District Superintendent to pursue means to preserve and share his teachings with the Christian community at large To that end he began to write and mail a bi monthly periodical Second Thoughts which he has done for 14 years He has served as the Bible teacher in camp meetings in Pennsylvania and has held prophecy conferences in Pennsylvania and Texas **God and Sex** Michael Coogan, 2010-10-01 An examination of sex and the Bible by one of the leading biblical scholars in the United States For several decades Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University In God and Sex Coogan examines one of the most controversial aspects of the Hebrew Scripture What the Old Testament really says about sex and how contemporary understanding of those writings is frequently misunderstood or misrepresented In the

engaging and witty voice generations of students have appreciated Coogan explores the language and social world of the Bible showing how much innuendo and euphemism is at play and illuminating the sexuality of biblical figures as well as God By doing so Coogan reveals the immense gap between popular use of Scripture and its original context God and Sex is certain to provoke entertain and enlighten readers

What the Bible Says About Sex Jeremiah Cataldo, 2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity

What the Bible REALLY Says About Peter Tullener, 2020-01-21 The question of why bad things happen to good people is a very old and difficult question to answer It is a question that most people ask at some point in their lives It has also been used as an excuse for people not to believe in a loving God and not to follow His ways since the beginning of man's existence on the earth until today Many people have accepted Jesus Christ as their Lord and Savior only to turn away from Him because of some major tragedy or disaster that has happened to them or someone they know Some people have refused to believe in a loving God because they have had a disabled ill or stillborn child born to them or born to someone close to them Others because they have been unable to get what they really wanted out of life after trying their very best or even begging God for a particular thing for many years The biblical scriptures provide many answers to the reasons that these bad things happen to good and evil people The answers to some of these questions may surprise you but they will also bring you understanding and peace This book searches out and explains the many scriptures and hidden truths in the Christian Bible which all plainly and simply explain why bad things happen to good people

What the Bible Really Says about Love, Marriage, and Family John Temple Bristow, 1994 The author of What Paul Really Said About Women takes a hard look at marriage divorce sexuality and the role of women in the Bible

What the Bible Really Does (and Doesn't) Say about Sex Matthew O'Neil, 2015 A biblically based counter to the arguments made by the Christian right in debates over gay marriage women's rights contraception and abortion People are constantly

judged for their sexual choices their frequency of sexual activity their selection of partners and their decisions regarding birth control and much of this judgment stems from the element of culture perhaps most preoccupied with sex religion What the Bible Really Does and Doesn't Say about Sex addresses this often unhealthy and troublesome relationship between sex and religion Focusing principally on Christianity it examines the arguments religious moralizers and sanctimonious politicians make to condone or condemn certain sexual practices and lifestyles But do they even get it right What does scripture really say about the how when why and with whom of sex Is homosexuality really an abomination Is abortion murder Is premarital sex a sin The answers may surprise you the Bible does not always make the claims those who wave it passionately in the air say it does In fact the Bible often says nothing at all about many of the practices and lifestyles the faithful argue so vociferously for or against By setting the biblical record straight this book offers highly compelling arguments for those who want to keep religion off their bodies and out of their bedrooms It also reminds puritanical crusaders that before they thump their Bible on street corners or in campaign speeches they should perhaps read and understand it first

community of counter conduct Drawing on a concept proposed by the philosopher and historian Michel Foucault Burrow Branine documents everyday moments of agency and resistance that have the potential to form new politics ethics and ways of being as individuals in this community navigate the exclusionary politics of mainstream evangelical institutions culture and theology More broadly Burrow Branine considers the community s ongoing conversation about what it means to be LGBTQ and a Christian grappling with the politics of inclusion and representation in LGBTQ evangelical activism itself *What the Bible Really Says about Slavery* Elreta Dodds,2000
