My Youth in the Labyrinth of a Cult-Like Group Gabriella Rahoy,2021-01-22 This is the story of how I got hooked to a radical movement as an adolescent and how I stayed there for over twenty years From age sixteen to thirty nine I belonged to this movement first in Rome Italy then in Cameroon Africa in Lisbon Portugal and finally in Chicago and New York USA Not only Christians but also faithful of other religions and even people who are not affiliated with any religion at all belong to this movement attracted by one or the other of its aspects or ideas As a person who believes that I am responsible for the good of my neighbor besides my own I already shared with the proper religious channels my experience in this movement as well as my deep perplexities about its theological and psychological soundness and I invited them to intervene for the good and well

being of all its members I won't name names since I do believe in the right of each person each group and each movement to their good name I also believe that any organization any institution civil or religious can become at any time somewhat of a cult of a dictatorship or the likes if its members forget to remain vigilant and allow this to happen I hope that once this group reaches maturity it will realize what is happening and will correct what needs to be corrected I hope this with all my heart At this point of my life this booklet is not driven by feelings of revenge or anger against anyone I offer it simply as a cautionary tale to help people not to fall into the traps of cults of cultic minded groups I'm aware that whoever reads these pages will notice that English is not my first language However I did not want to hire anyone who would write my story in a professional style The words that you find here are my very words World Religions and Cults 101 Bruce Bickel, Stan Jantz, 2005-03-01 Why are there so many religions Do they basically teach the same thing Bruce and Stan address these questions and more as they take a close look at some of the world's major religions and belief systems From Islam to Jehovah's Witnesses and from New Age Spirituality to Atheism Darwinism and Naturalism World Religions and Cults 101 features key teachings of each religion quick glance belief charts brief biographies of leaders study questions for group or individual use suggested reading Readers will also discover why spiritual searching is universal how each religion compares to Christianity the characteristics of cults and what makes Christianity unique Formerly titled Bruce Stan's Guide to Cults Religions and Spiritual Beliefs

The Rajneesh Chronicles: The True Story of the Cult that Unleashed the First Act of Bioterrorism on U.S. Soil Win McCormack, 2010-09-01 The Bhagwan Shree Rajneesh and his followers were involved in nefarious activities including prostitution drug smuggling sexual abuse of children and murder conspiracy The Rajneesh Chronicles explains this behavior and why the cult that committed the first act of bioterrorism in the U.S. was trying to cultivate a live AIDS virus Bhagwan Shree Rajneesh widely known as the sex guru fled India in 1981 and came to settle on a ranch in central Oregon where he and his followers established the illegal city of Rajneeshpuram In their effort to preserve the city the Rajneeshes attempted during the 1984 election to take control of the Wasco County government by poisoning two county commissioners and over 700 potential voters in The Dalles the county seat with salmonella the first act of bio terrorism in U.S. history Armed to the teeth with semiautomatic weapons they threatened to defend the city to the death against any governmental intrusion and hatched a plot to assassinate a U.S. attorney When the commune finally imploded and authorities arrived on the scene they discovered that the Rajneesh nurse who had cultivated salmonella bacteria in the commune's biological warfare laboratory was also trying to cultivate a live AIDS virus which deranged group leaders clearly hoped to unleash on the rest of the world The Rajneesh Chronicles is a collection of in depth investigative and analytical articles published in Oregon Magazine covering the entire period from the time of the cult's arrival in Oregon in mid 1981 to its dramatic disintegration at the end of 1985 with an introductory chronology that extends the story up to the present While most press treated the cult's antics as a humorous sideshow typified by the Bhagwan's dozens of Rolls Royces editor in chief Win McCormack and other of the

magazine s writers systematically exposed the full range of the Rajneeshees depraved behavior including their involvement in prostitution and international drug smuggling sexual exploitation of children abuse of homeless people they imported into Rajneeshpuram to register as voters and the use of brainwashing techniques bordering on torture The tale of the Rajneesh has become an amorphous legend few inside or outside of Oregon actually understand The Rajneesh Chronicles fully illuminates the shocking reality behind that legend Cargo Cult as Theater Dorothy K.
