when The Kennel Club shows up everyone realizes there s been a mistake And now it s raining cats and dogs Will Caitlin be
able to help all the animals and their owners have a fun cruise **It's Raining Cats and Dogs** Franklyn Mansfield
Branley,1987 Discusses various weather phenomena including rain hail smog snow lightning hurricanes and tornadoes
Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions
and has devoted much of his lifetime to studying and collecting them no one knows more about British and American
proverbs than he The present volume based upon writings in British North America from the earliest settlements to
approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880
It differs from that work and from other standard collections however in that its sources are primarily not literary but instead
workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross
section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all
the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of
material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to
be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work
important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is
no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and

what is spurious
