When Mother Was Eleven Foot Four A Christmas Memory:

When Mother Was Eleven-Foot-Four Jerry Camery-Hoggatt, 2001-10-01 This beautifully written holiday memoir follows the tradition of *The Christmas Box* and *The Best Christmas Pageant Ever* It's the story of the author's mother whose romantic nature and love for Christmas left a lifelong impression on her son Mother is a tiny woman 4'11" except when life demands that she draw herself up to her full height of 11'4" Christmas is one of those times Father is opposed to celebrating Christmas and every year the couple fights about it And every year Jerry and the other kids eavesdrop nervously until their mother ensures that Christmas wins out When things take a turn for the worst Mother and the boys find themselves struggling with poverty and depressed circumstances Mother tries to make the best of Christmas at first but when she loses the holiday spirit her young sons decide to do something about it In their attempt they discover the true meaning of grace

Connected at the Roots Jerry Camery-Hoggatt, 2025-02-25 Written for beginning seminary students this interdisciplinary study argues that recent advances in the social and cognitive sciences demonstrate that knowing involves not only our physical bodies but also our tools our communities and our social institutions As important as these discoveries are for understanding general cognition they are even more important for understanding the nature of faith The Bible is rich with metaphors that emphasize the living church as a source of wisdom and spiritual depth We always need other Christians if our faith is to be both rich and deep We are like groves of aspen trees individual trees that are connected at the roots

My Mother's Wish Jerry Camery-Hoggatt, 2010-12-08 Something strange is brewing at the Comeback Caf A grandfather's song has turned a diner into hallowed ground A contrary girl with a gypsy heart feels the tug of home And a truck driver named Jedidiah keeps his foot on the gas ready to sweep you into an unforgettable story of belonging and grace It's the 1960s Midwest and Ellee Crumb wants to change the world starting with her mother but she's having trouble even getting her teachers to know her real name So Ellee sits at the Comeback her broken heart lying there on a table when a three armed waitress and a quirky stranger show up and hand her back the pieces An affecting tale My Mother's Wish will remind you of the power of grand hopes and effect of impossible expectations You'll witness the influence every life has on another and you'll find new reasons to believe in the comfort and joy in an everyday American version of the story of Christmas being known and loved just as you are
