Apocalypse Now: The Rocks Cry Out Donald Alexander, 2020-02-18 Nuclear scientist decodes evidence of global flooding that warns of an ominous unstoppable disaster already set in motion Since the Cambrian Explosion of Life Earth has passed through 6 Apocalyptic Cycles and is now at the beginning of the 7th Apocalypse How could entire new ocean floors have formed in just the last 2% of geologic time The geologic record proves that the surface of the Earth has been hammered into its present form by catastrophism not uniformitarianism placing great doubt on evolution

The Rock Record provides undeniable evidence of oceans within the Great Deep that are cycled with surface oceans Formation of massive salt deposits are formed by tectonics not just evaporation This plate tectonics cycle appears to be driven by extraterrestrial impacts and or nuclear explosions at the Core Mantle boundary deep in the Earth that cyclically shatter the Earth s crust by seismic waves Evidence carved in stone by an extinct civilization appears to confirm the Apocalyptic record

The Cultural Context of Therapeutic Choice C. Sargent,2012-12-06 This book examines the factors influencing women s choices of obstetrical care in a Bariba community in the People s Republic of Benin West Africa When selecting a research topic I decided to investigate health care among the Bariba for several reasons First I had served as a Peace Corps Volunteer in northern Benin then Dahomey and had established a network of contacts in the region In addition I had worked for a year as assistant manager of a pharmacy in a northern town and had become interested in the pattern of utilization of health care services by urban residents This three year residence proved an invaluable asset in preparing and conducting research in the northern region In particular I was able to establish relationships with several indigenous midwives whose families I already knew both from prior research experience and mutual friend ships These relationships enabled me to obtain detailed information regarding obstetrical practice and thus form the foundation of this book The fieldwork upon which the book is directly based was conducted between June 1976 and December 1977 and sponsored by the F ord Rockefeller Popula tion Policy Program the Social Science Research Council the National Science Foundation and the FULbright Hays Doctoral Dissertation Research Program The Ford Rockefeller Population Policy Program funded the project as a collab oration between myself and Professor Eusebe Alihonou Professor Agrege Gynecologie Obstetrique at the National University of Benin

Quiet Time Poems David Edwin Hall,2014-11-06 Every day there are treasures to be discovered by anyone who will honestly come to hear the voice of the Savior in his Word The Lord Jesus indicates that there is an added blessing for those who will write down the insights he gives by his instruction Every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder which bringeth forth out of his treasure things new and old Matthew 13 52 The poems in this book are the result of going to the Bible each day with an expectation that God has

something very valuable to say That expectation has NEVER been disappointed Our risen Lord said I stand at the door and knock If any man hears My voice and opens the door I will come into him and will sup with him and he with Me Revelation 3 20 This intimate two way communion with God is offered to all those who have received the Lord Jesus Christ John 1 12 and thereby have received not the spirit of the world but the Spirit which is of God that we might know the things that are freely given to us by God 1 Corinthians 2 12 My prayer is that God may use this book for his glory for the encouragement of his own children and for the persuasion of those who may yet be awakened to their need of our Savior Blessed is the man that heareth Me watching daily at My gates waiting at the post of My doors Proverbs 8 34 Heaven is waiting Dont miss it for the world
