of the Beast T.J. McKenna, 2023-02-13 Eighteen years have passed since Cephas Paulson survived his brutal ordeal inside the mountain. Faith has returned to the world, but the Mark of the Beast vaccine used by the Corps has inflicted unforeseen genetic damage to all who took it, dividing the world into The Washed and The Marked. With the Four network disbanded, Cephas and Martha stand as the only remaining hope for the Christian world until they too disappear. Their children, Jocie and Austin, are left alone with nowhere to go and no one to trust. Born with her father's talent for puzzles, Jocie realizes that Cephas has scattered the clues for finding her parents not only throughout her life but through time itself. As the pieces come together, it's clear that the puzzle she's solving is much larger than she'd imagined, and that her past, present, and future all depend on her finding the solution. **The Focus on the Family® Guide to Talking with Your Kids about Sex** J.

Talking about sex doesn't have to be a fear-filled challenge. *The Focus on the Family Guide to Talking with Your Kids about Sex* shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. Focus on the Family's Physicians Resource Council, along with research from The Medical Institute for Sexual Health, provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at
